NATIONAL BIBLE WEEK

OCTOBER 18-24

BIBLE WEEK POSTER—This is the official poster for the 14th observance of National Bible Week, Oct. 18-24. Jack Rau, New York artist, took his theme from a Matthew Brady Civil War photograph. The theme is from an 1864 letter written by Abraham Lincoln thanking the "loyal colored citizens of Baltimore" for the gift of a Bible.

UNESCO Shields Subversive U.S. Employees; Lodge

UNITED NATIONS, N. Y. (AP)—Henry Cabot Lodge Jr., chief U. S. delegate to the United Nations, charged Saturday that American employees of doubtful loyalty were being kept on the UNESCO payroll by Dr. Luther Evans, American head of the organization.

Lodge strongly criticized Evans, former Librarian of Congress, for an action which he said frustrates U. S. efforts to insure high integrity among American staff members of international organizations.

Evans has headed the U. N. Educational, Scientific and Cultural Organization, a specialized agency of the U. N. with headquarters in Paris, since July 4, 1953. A native of Texas, he had since 1949 been a member of the executive board of UNESCO and was chosen as a compromise candidate for the top post to succeed Mexico's Jaime Torres-Bodet.

Lodge, who set up new loyalty quizzes for Americans employed in the United Nations shortly after he became the permanent U. S. delegate in 1953, noted in a statement issued through the U. S. mission here that UNESCO was outside his jurisdiction. He added:

"I have a responsibility as U. S. representative to the United Nations to see that fair play exists. It should, therefore, be crystal clear that there have been no such problems in the U. N. itself."

"Such matters have been well solved without impairing the independence of the secretariat," he did not elaborate on this point and a U. S. spokesman said he did not know whether the U. S. procedure turned up any new loyalty cases here.

But in UNESCO, Lodge charged, eight U. S. citizens employed by the organization have had loyalty reports from the U. S. International Organizations Employees Loyalty Board. He did not identify them but described them thus:

"Concerning these eight persons the board found reasonable doubt as to their loyalty to the United States. Only one of these eight persons condescended to accept the board's invitation merely to meet with it when it was in Paris last summer. The seven others were in such contempt of the whole procedure that they did not bother to appear at the board's meeting."

Lodge said Evans had stated he would not renew contracts of four of these but noted that Evans had taken no steps to suspend any of the eight and said this act frustrates the attempt to set up integrity standards.

Meek Terms Democrats Party Of High Taxes

CHICAGO (AP)—Joseph T. Meek, Republican candidate for U. S. Senator, said Saturday night "The Democrats are the high tax party."

Meek spoke at Niles Township High School, devoting a part of his speech to defense of the tax revision bill passed by the 83rd Congress.

"The tax revision act of 1954 is distinctly not a rich man's law, as my opponent would have you believe," Meek said.

Sen. Paul H. Douglas, the Democratic incumbent whom Meek is opposing in the Nov. 2 election, has attacked the bill principally because of what he terms provisions favoring a small segment of taxpayers who have large stock holdings.

"The individual taxpayer," said Meek, "is the chief gainer by the law. Of the 7.4 billion dollars in tax cuts achieved, 4.7 billion goes to individuals and only 2.7 billion to corporations."

Reds Imprisoned Woman 9½ Years For Hiding U.S. Airmen

SAIGON, Viet Nam, (AP)—A sick and haggard 34-year-old Vietnamese woman said Saturday she spent 9½ years in Japanese and Vietminh prison camps because she helped hide 11 American airmen from Japanese soldiers during World War II.

She told of being forced to leave her 2-month-old daughter with Vietminh jailers when they released her and her French army prisoner of war husband on Aug. 31 of this year.

She did not weep. Her tired, drawn face seemed drained of all emotion. But her thin blue-veined hands clutched at the small crucifix on a chain about her neck as she spoke of the baby she does not expect to see again.

She first told her story to American Embassy officials, and presented supporting letters about her aid to the Americans written by leaders of the French-Vietnamese underground which opposed the Japanese in central Viet Nam during the war. The Americans had no official comment on her story. Unofficially they donated the plane equivalent of \$247 to help pay her fare to France with her husband, Pvt. Andre Pagnon of Paris.

Pagnon said the French army was rotating him home but would not pay his wife's fare. They leave for France Monday aboard the Jamaica.

Mrs. Pagnon said the 11 Americans included four officers — a plane commander Stevenson, radio officer Charles or Charley, Patterson and Queen. She recalled the seven enlisted men as Grady, Vendette, Douglas, Fred, Gowan, Fleisch and Tamy.

She said she never knew their full names nor where they lived in America. She said their plane was a four-engine American Navy craft. She believes it crashed into the sea off central Viet Nam Jan. 26, 1945, the day which she remembers them as coming ashore in a rubber life raft.

Rep. Stringfellow Renudiates Story Of O.S.S. Service

SALT LAKE CITY (AP)—Rep. Douglas Stringfellow (R-Utah) Saturday night repudiated his story of wartime service with the Office of Strategic Services.

Appearing on a television program, the congressman admitted he had seen no service with the OSS.

Tears running down his face, he substantiated a story published by the Army Times which questioned his service record.

He also said he has told Utah Republican leaders he will step aside as nominee for re-election from the Utah 1st Congressional District if they wish him to do so.

With him in the studio when he made the broadcast was Sen. Arthur V. Watkins (R-Utah).

The announcement by the 32-year-old disabled war veteran from Ogden stunned his Utah listeners. He was chosen one of the top 10 men in the United States by the Junior Chamber of Commerce last year. His nomination for his honor pointed to World War II activities which it said resulted in the capture of German scientist Otto Hahn and the unbalancing of the Reich's timetable in trying to perfect the atomic bomb.

Stringfellow, who still walks with crutches as the result of a wound suffered while clearing a mine field in France, is married and has two children. He was first elected to Congress in 1952.

Stringfellow said his story of cloak and dagger operations just grew as he embellished it during the course of more than 200 speeches.

"I fell into the trap, which in part had been laid by my own glib tongue. . . I became a prisoner of my own making," he said.

Judge Ponders Fate Of Boy Using Gun To Save Dog

MONROE, La. (AP)—Ten-year-old Joe Cooper, who threatened school officials with a loaded shotgun to save his dog from the city pound, is back in the reformatory while a West Monroe judge ponders his fate.

Judge Howell Heard took the case under advisement. Public disapproval against the speed with which he sent the sixth grader to Louisiana Training Institute Oct. 6 following the school yard incident prompted a four hour rehearing of the evidence last night.

Hundreds of telegrams and letters poured in from all parts of the country. Some sought to adopt the boy, others wanted to impeach the judge. An angry group of parents began circulating a petition for the ouster of Mrs. Tina Clark, principal of the Ransom School, who locked the dog in a closet when it followed Joe to school.

Judge Heard, who barred newsmen from the hearing and ordered a blackout on pictures of the boy, said he was "seriously thinking of releasing him," but first would have to study a tape recording of the testimony. A decision is expected next week.

Tippie, part collie, part hound dog, part mostly citizen of the world, was reunited with his young master at the hearing, then taken to a veterinarian by Atty. Murphy Blackwell, who volunteered his services in defense of the boy.

The sad-eyed, spindly-shanked dog sat quietly at the boy's feet while 40 witnesses, including a Sunday School teacher, a grocery clerk and a man who took Joey fishing on Saturdays, attested to the good character of both.

Joey was led into the courtroom by A. L. Swanson, superintendent of the reform school.

Two Top Demos Lash GOP Foreign Policy

BY THE ASSOCIATED PRESS
Harry S. Truman and Adlai E. Stevenson ripped into the Republican administration and called for the election of a Democratic Congress last Saturday night as President Eisenhower returned to his White House chores in Washington.

The two top Democrats raked administration foreign policy and said the Republicans were split internally.

Said Truman:

"It is now clear that they do not represent the best interest of our people, and in 20 months they have changed dangerously our liberal form of government to one of reaction at home and confusion abroad."

Stevenson:

"... The administration is trapped in a dilemma of its own making—it is trying to conduct a responsible foreign policy and appease the extremist wing of the Republican party at the same time. It is trying to reconcile the irreconcilable."

Truman addressed a Democratic rally in Kansas City, in what was billed as his only speech of the congressional campaign.

Stevenson spoke at a Democratic meeting in San Francisco.

Eisenhower, back in Washington after an eight-week working vacation in Denver, takes to the road Wednesday for a two-day speaking trip to Hartford, Conn. and New York City.

Eisenhower goes to Hartford Wednesday to speak at a special convocation of Trinity College and at a birthday luncheon for Gov. John Lodge, who is seeking reelection. That same night he makes what has been announced as a nonpolitical speech at a National Jewish Tercentenary dinner in New York.

On Thursday he will address about 400 Republican candidates and party workers in New York and then attend an Alfred E. Smith memorial dinner there.

In other political developments, Sen. Ralph E. Flanders (R-Vt.) said neither he nor Sen. Joseph McCarthy (R-Wis.) has been encouraged by the Republican National Committee to take part in the campaign. Flanders said he thought it was a "good thing" to keep the McCarthy censure controversy, which he helped touch off, out of the campaign. The issue will be taken up by the Senate Nov. 8, the week after election.

Clifford P. Case, Republican candidate for senator from New Jersey, scheduled a local television talk for this afternoon to get "to the bottom" of published reports raising the question whether his sister, Adelaide, was linked with Communist front groups. There have been suggestions it was a case of mistaken identity.

FLOODS, EPIDEMIC KILL 40

TAMPICO, Mexico (AP)—Officials said today floods and an unidentified epidemic have caused the deaths of at least 40 persons in coastal towns near here.

Number Of Victims Drowned Rises Steadily

BY THE ASSOCIATED PRESS
The nightmare of Hurricane today turned into a horror sequel of floods. Wind-stricken communities in the eastern United States, and particularly southern Canada, floundered amid stampeding waters.

At least 107 persons were dead. Hundreds of others were injured or missing in the rubble-strewn wake of Hurricane Hazel. And nature conjured up new vengeance in the surging flood tides.

Across a dozen states was a savage, 200-mile-wide swath of ruin and tragedy. As the big storm receded into northern Canada, dumping its torrents, rivers and streams leaped their banks.

The million people of Toronto, Ont., were virtually isolated by water. Overflowing rivers swept into suburbs, inundating streets, homes and automobiles. One adjoining area of 6,000 acres, normally dry land, was a huge lake.

The number of drowning victims mounted steadily, and there was no way of estimating the final toll. Helicopters and Navy whaleboats scouted the submerged districts to try and check the rising casualties.

Floods also plagued the hurricane's furious trail across the U. S. Overburdened streams burst from their banks, surged into homes and streets in parts of the Carolinas, Pennsylvania, Maryland, Virginia and New York.

Rescue crews toiled in rowboats, canoes and hipboats to carry families to safety from houses already wind-battered.

As the reports of hurricane damage and distress poured in, governors of three states — Maryland and North and South Carolina — appealed to the federal government for emergency aid. They said parts of their states were major disaster areas.

The storm hit hardest at the coastal states, but it also did widespread damage inland before its remnants ploved into Canada. There, new storm centers gave it a second spurt of violence before it faded into the northlands.

The death toll resulted from drownings, falling timbers, crushed homes, overturned automobiles and broken electric wires.

Many persons were missing and thousands were refugees from flooded, demolished or damaged homes. Many communities were isolated without power or communications.

Platoons of emergency workers—men of civil defense, the Red Cross, departments—moved into the stricken towns.

But as the vicious hurricane spent its waning fury on southern Canada, and moaned north toward Hudson Bay, the crises still lingered in some U. S. areas.

Swollen streams poured over their banks in western Pennsylvania, surging into towns, and flooding hundreds of houses and streets. Rescuers worked to haul the marooned to safety.

All along the wide wind-ravaged strip and on its fringes were dangling power and telephone lines, splintered trees and battered buildings.

Probably the hardest hit were the coastal communities of North and South Carolina, where the mighty blow trumpeted in from the sea yesterday.

Only communications with some of these communities was by portable radio. Scanty reports told of whole towns laid waste, of hotels floating out to sea, of boats and piers piled in fragments.

At Garden City, S. C., a businessman estimated 10 million dollars in damages there alone, with 400 houses demolished. At Ocean But it was strictly a one-man show.

Last Big City Political 'Boss' Dies In Memphis

MEMPHIS (AP)—E. H. (Boss) Crump, the nation's last oldtime big city political boss, died Saturday. He was 80.

His Memphis "machine" made—or broke—Tennessee governors, senators and representatives for more than 20 years.

Death was due to a heart ailment. He died at home, still the "Boss" here although no longer able to swing the entire state.

Neither Crump nor his candidates were ever beaten in his own backyard—Memphis and Shelby county (pop. 520,300).

But he lost much of his statewide influence in the 1948 Democratic primary. He never gained it all back.

The bushy-browed, white-haired politico, wealthy head of a real estate and insurance firm, died after a gradual decline in health first noted last August.

His smooth machine was considered a model by organization politicians throughout the nation. But it was strictly a one-man show.

Show New Income Tax Forms Including 15-Line Card

WASHINGTON (AP)—The government Saturday unveiled its new income tax forms, including a simple 15-line card for wage earners receiving less than \$5,000 a year.

Internal Revenue Commissioner T. Coleman Andrews estimated that 35 million of the more than 60 million U. S. taxpayers are eligible to use the card form—a stripped down version of old 1040A—but he said a lot of them will tackle the more complicated 1040 form instead.

Under the general tax revision law enacted this year, all returns must be in by April 15, one month later than the previous March 15 deadline, but the tax collectors will welcome them any time after Jan. 1.

Most of the new forms were merely revised to fit changes in the general tax structure, but the 1040A card form is something brand new, Andrews said it may

be the first step toward relieving taxpayers earning under \$5,000 a year from filing any return at all. Those using this form may not take more than the standard 10 per cent deduction, nor itemize their deductions.

In the past it has been a full sheet of questions, front and back.

As in the past, the Revenue Service will calculate the tax for taxpayers using the simple form, and send them a bill or a refund. Andrews told newsmen experience this year with the card will help determine if next year the Revenue Service could put into practice a plan whereby taxpayers eligible to file the simple tax form would not have to file at all. In effect, he said, they would give the same information as now required on the card to their employer, who would pass it along to the Revenue Service with the employee's record of income tax deductions.

Old 'Kansas Flash' To Speak In City Nov. 8

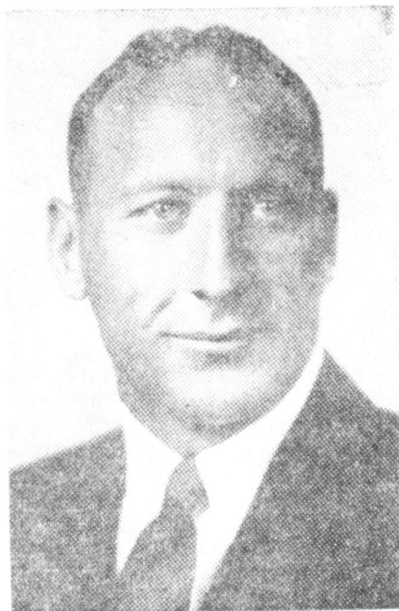

Glenn Cunningham, the old Kansas flash, holder of the world record indoor mile of 4:04.4 in 1938 at Dartmouth College, is coming to Jacksonville for a public address at 7:30 o'clock Monday evening, Nov. 8, under auspices of the Jacksonville Ministerial Association. "Clean Living and the Race of Life" will be his subject.

Cunningham, who became one of the world's greatest runners after a crippling injury by fire had almost doomed him to invalidism, will speak at Grace Methodist church. The public is invited to hear him.

Dr. Cunningham holds five world records in track and has earned the highest academic degree, the Ph. D., from New York University. He also has a national reputation in the field of physical education.

He will come to Jacksonville Nov. 8 after addressing an assembly of Springfield High school students. On a 10 day tour in Illinois he will address more than 30,000 young people in high schools and colleges.

Dr. Cunningham is known to millions of Americans as one of the greatest miler America has ever produced. He did most of his running during the 1930's and reached his greatest track performance when he ran a world record-breaking mile of 4:04.4. At thirteen, Glenn ran his first mile race in a surprisingly fast time of 5 minutes 18 seconds. He climaxed his college career at Kansas University by winning the Big Six Championship mile with a time of 4 minutes and 14.3 seconds.

DR. GLENN CUNNINGHAM

Badly Burned In Rescue

As successful as Glenn Cunningham was on the cinder track, the real story is of his incredible recovery from a boyhood disaster. At the age of eight, while attempting to rescue his brother Floyd from a blazing fire in school, he was seriously burned in both legs that doctors advised amputation of both legs. His parents decided against this, however, and hoped that by faithfully massaging the skinny red bones covered with scar tissues, that life would return to Glenn's legs.

After months of being confined to bed, Glenn's first attempts to walk were utter failures. The toes of his left foot were completely gone, and his transverse arch was practically destroyed.

Only through his courage, iron determination and faith did he achieve his success. He worked out his own plan of exercise and healthful living which enabled him to become strong again.

First, he learned how to stand for a few seconds, then he would walk a few steps. As his strength grew he was seen running wherever he went. In fact running was his life.

In 1933, 600 of the nation's top sport writers and authorities selected Cunningham as the outstanding amateur athlete to receive the Sullivan Award. He was captain of the American track team touring Europe and the Orient in 1933 and in 1936 was named most popular member of the Olympic team from the United States by his fellow athletes.

Today he operates an 840 acre ranch at Cedar Point, Kansas, where he raises pure-bred Arabian horses and Shetland ponies.

Firemen Attend Annual Banquet At Greenfield

GREENFIELD—The annual Fireman's Banquet was held Tuesday evening in the grade school lunch room with wives of the members, Clyde Zehner of the Central Fire Truck Co. and Mrs. Zehner, St. Louis, Mo. Attorney William Vogt, Carrollton City Police Verne Stringer, Water Superintendent and Mrs. Luther Cummins Mr. and Mrs. Tom Armstrong and Dr. E. G. de Quevedo as guests.

Mrs. Robert Cole, chairman of the P.T.A. and other members served the banquet of fried chicken, mashed potatoes, gravy, peas, jello salad, celery, cranberries, hot rolls and butter, pumpkin pie topped with whipped cream and coffee. Fire Chief Vernon Thaxton introduced the guests and Mr. and Mrs. Claude Linn showed colored pictures of their trip of the International Harvester Co. to Cuba and Florida and other vacation trips.

Scouts Elect Officers

The following officers have been elected by the Greenfield Girl Scouts: president, Judy Harper; vice president, Raymona Houlette; secretary, Bonita Hamilton; treasurer, Susan Burnham; recreation leader, Denise Thein; publicity chairman, Marilyn Spencer. Regular meetings have been resumed under the leaders Mrs. Howard Houlette and Miss Mary Culver, girls physical education instructor of the Greenfield high school. Two patrols have been organized, one for younger girls and the other group for former Girl Scouts. Regular meetings will be held the first and third Monday nights in the Legion building.

The members of the Greenfield Methodist Youth Fellowship met Sunday evening in the social rooms of the church and elected the following officers: president, Eleanor Masters; vice president, Nancy Guthrie; secretary, Phyllis Arbuckle; treasurer, Marilyn Williams; Area of Faith, Sheila Smith; Area of Witness, Wanda Guthrie; Area of Outreach, Bob Langley; Area of Fellowship, Bob Hettick; Leroy Prazier and Daisy Finney; Planist, Eleanor Masters. Nancy Guthrie gave the lesson and refreshments were served by Leroy Prazier.

Tri Hi Y Starts Years Activities

The Jacksonville Tri Hi Y held an open meeting at 5:30 p.m. Tuesday, Oct. 12, at the YMCA Youth Center. Prospective new members were guests of the active members.

The meeting was called to order by the president, Sandra Bonjean. Mignon DuBois had devotions. Warren Flower, YMCA secretary, was presented to the group and in turn presented Miss Mimi Gibson who will be the assistant for Mr. Flower at the Youth Center. The Tri Hi Y adviser, Miss Mabel Ruyle, was also introduced.

The Tri Hi Y is a non-denominational organization for high school age girls from the sophomore to senior age group. The organization encourages girls from all faiths to join and help in the betterment of the community.

The meaning of the words, Tri Hi Y, was explained by Sandra Bonjean—try, three fold purpose to create, maintain and extend throughout the home, school and community high standards of Christian character; Hi for high school organization and Y the affiliation with the YMCA.

The club colors are red, white and blue symbolizing sacrifice, purity and loyalty. Each of the officers explained their duties. Officers are: Sandra Bonjean, president; Harriett Lee, vice president; Barbara Gross, secretary; Judy Lukeman, treasurer; Mignon DuBois, chaplain; Janet Fernandes, program chairman; Gretchen Hildner, social; Sharon Dowland, courtesy; Carmen Olson, music; Sheryl Savage, finances and Marcia Garlich, service.

The group will sell holly during the Christmas season to finance gifts for a needy family. A rummage sale is also planned and a bake sale. The next meeting is Oct. 26 when new members will be guests with a potluck supper at 5:15 at the Y. This will also be an initiation ceremony for the new members.

To Stand Trial In Wreck Case

PONTIAC, Ill. — Joseph Gebhardt, 35, of Odell, Ill., has been ordered to stand trial Nov. 8 on charges of manslaughter and reckless homicide, stemming from an auto accident that killed three Griggsville women.

Gebhardt entered a plea of innocent in Livingston county circuit court when arraigned. His arraignment followed pleas by his counsel to quash three indictments returned by the May grand jury. Judge Frank S. Bevan denied the motions.

The indictments charge Gebhardt "recklessly operated his car" while under the influence of intoxicating liquor, at the time of an accident last summer on U. S. Route 66. Three Griggsville women died and five other persons were injured in the mishap.

Gebhardt was released under \$7,500 bond after arraignment.

AUTOMOTIVE HINT

To minimize danger, automotive brakes should be applied easily and steadily in event of a tire blow-out, instead of putting full force upon them.

Mrs. Wilson At Training School For Scout Leaders

Mrs. Darrell Wilson, Jacksonville, Ill., Home 1, has returned from Pere Marquette State Park at Gratiot where she attended a five-day session of the Girl Scout National Training School-Volunteer Training of Leaders Course. There were only 25 adults accepted for this course and they were taken from the junior state which made up Region Seven—Illinois, Indiana, Michigan and Wisconsin. The students stayed at Pere Marquette Lodge.

adult members of the Council to get the training they need to do their work. The Girl Scout organization stresses training for volunteers because it has faith in their ability to do their particular job when they know what to do and have some help on how to do it. Providing for the welfare of children is the biggest job in the community. The training job is a key for doing this because other adult members are helped so they can serve to the best of their ability.

The International Convention will be held during July 1955 in Toronto, Canada, and plans are now being made for some Jacksonville Altrusans to attend that meeting.

E. M. Seymours, Former Morgan Couple, Honored

A former Morgan county couple Mr. and Mrs. E. M. Seymour of Alhambra, Calif., who were married in Jacksonville, recently celebrated their 65th wedding anniversary. They have lived in California since 1923. Mrs. Seymour is the former Hulda Reeves.

They were married in 1889 in this city and later moved to Denver, Colorado moving again in 1923 to California. They have resided at Alhambra for three years. Their address is 126 N. Curtis St.

They have one son and three daughters, Mervyn Seymour, Temple City, California; Mrs. Joseph Theys of Ontario, Calif.; and Miss Fern Seymour of Alhambra. There are seven grandchildren and nine great-grandchildren. The Seymours attribute their long and happy marriage to their adherence to one portion of their marriage ceremony, from Matthew, "Wherefore they are no more twain, but one flesh. What therefore God hath joined together, let not man put asunder."

Twenty-seven relatives and friends toasted the couple Sunday, September 19, at Rickie's Restaurant in Alhambra commemorating the long lasting marriage. The surprise banquet was arranged by their daughter, Fern.

On Sept. 22 the actual date of the wedding, their grandson and wife, Mr. and Mrs. Jack D. Theys, entertained with a dinner party for the couple at their San Gabriel, Calif., home.

Both Mr. and Mrs. Seymour have numerous relatives in this community.

Clubwomen Learn Visiting Mentally Ill Noble Service

"Will you give a little of your courage to those who have lost theirs?" This is the theme of the talks made by Mary Zachary to many clubs throughout the area in regard to the Volunteer Service Program at the Jacksonville State hospital.

The problems of mental health have become an important part of most of the clubs in this area and the country over. Because of the interest of club women many of the barriers concerning mental illness are being broken down. The care and treatment of mentally ill patients will be far more effective when such obstacles are erased.

Clubs having shown a humane interest in the problems of the mentally ill and have included a discussion of the Volunteer Service Program in their programs are: Assembly Home Bureau Unit, president, Mrs. Ray Bourn; Concord Domestic Art Club, president, Mrs. Hester Nickel; Plover Club, president, Miss Josephine Milligan; Eastern Women's Club, president, Mrs. Fager; Household Science Club of Woodson, president, Mrs. Barrows; Murrayville Home Bureau Unit, president, Mrs. Ann Bealmer; Philathea Class of First Presbyterian church, president, Mrs. Brewer and the Jacksonville Jr. Women's Club, Mrs. Robert Herr.

The Volunteer Service is a statewide program whereby an individual, who is willing to share a little time in visiting, can bring a bit of warm friendliness to someone who needs just that to help him to regain the courage he needs to face life. The volunteer can give something that can never be bought and yet the benefits are many.

The Volunteer Service Program includes a training class conducted by the Staff Doctors and personnel of the hospital. The next training course will start at 9:00 a.m. with lunch being served at the hospital and will be concluded by 3:00 in the afternoon.

Applications are now being taken and if you wish to join the training course, call Mrs. Zachary at the hospital, extension 333.

The program now includes 21 Volunteers from Jacksonville, Virginia, Murrayville, Winchester, and Springfield. As many as 300 Volunteers could find a place for themselves in the Volunteer Service Program.

Murrayville Unit Has Program At Wilson Home

MURRAYVILLE — The Murrayville Home Bureau Unit met Tuesday afternoon Oct. 12th with Mrs. Arthur Wilson. The chairman, Mrs. Waldus Bealmer called the meeting to order. Following the song, "Pack Up Your Troubles," the minutes of the two previous meetings were read and approved.

The Roll Call, "a worth while way to pass away long winter evenings" was answered by twelve members and three guests, Mrs. Cecil Patterson, Mrs. Norman Carlson and Mrs. Mary Zachary. It seemed to be the consensus, however, that very few have many evenings at home to pass away anymore.

Mrs. Robert Mutch, membership chairman, gave a report of a meeting she had attended and urged those present to help our unit gain more members.

A short report on health and safety was given by Mrs. Arthur Wilson.

The following officers for the coming year were unanimously elected.

Chairman, Mrs. Waldus Bealmer; Vice Chairman, Mrs. Robert Mutch; Sec. and Treasurer, Mrs. Arthur Longman.

It was announced that the annual meeting would be held in the Central Christian Church in Jacksonville on Oct. 28th. The Highlight of the program is to be an Indian lecturer "Sky Eyes."

Mrs. Norman Carlson and Mrs. Cecil Patterson gave the major lesson "Cloth makes the difference in washing and ironing." They discussed the make up of various fibers, fabrics and finishes and their different reactions to washing and ironing, and suggested directions on labels should be followed for best results. The minor lesson, Entertaining guests at the table was given by Mrs. Russell Heaton.

Mrs. Mary Zachary, supervisor of the volunteer services personnel at the Jacksonville State Hospital, discussed the need for volunteers and the type of aid they may give, and the value of such service. The program of volunteer service is being carried on in every mental institution in Illinois except at Lincoln. The next meeting will be held at the home of Mrs. Carey Andras. The hostess assisted by Mrs. Dale Heaton served delicious refreshments.

Miss Ida Simmons of Evanston spent the week end at her home here.

Mrs. Ethel Spencer of Jacksonville was a week end visitor at the home of her son, Mr. and Mrs. Verba Spencer and family.

Mrs. Irene Atkinson was a Saturday guest of Mrs. Ellen Kimball of Jacksonville.

Pike Men Fall 30 Feet As Girder Collapses

BLUFFS VETERANS CONSIDER PLANS FOR RINK, BUILDING

Bluffs—A special meeting of the Charles Wolford Post of the American Legion at Bluffs was held for the purpose of seeing what could be done about a place for a roller skating rink, either in the present building or building a new Legion Home.

Commander Robert Lovekamp appointed the following committee to contact contractors and get their advice and report to the regular meeting which will be held Monday, October 18. The committee appointed to make the investigation is Jess Bailey, Dr. E. C. Thorne, William Morris and Russell Alber. All members are urged to be present for the regular session and hear the report.

Plans will be made for the "White Elephant" sale and a date set for this event.

PITTSFIELD — William McKee, 49 year old Pleasant Hill man and Ross Knox, of Pearl, were painfully injured late Friday afternoon when the steel girder they were working on at the new Unit 16 high school at Pittsfield collapsed, hurling the construction workers 30 feet to the ground.

Mrs. W. B. McKee, mother of the more seriously injured man, reported Saturday her son was suffering with a fracture of the left arm, skull fracture, loss of finger on his right hand and severely crushed face, badly enough to necessitate plastic surgery. McKee was taken in an ambulance from the Illinois hospital in Pittsfield, following preliminary examination to Barnes hospital in St. Louis. His condition was reported as fair.

Knox remained a patient at Illinois hospital where he is reported to be suffering from a broken hip, shock, bruises, etc.

The steel girder is reported to have twisted hurling the workers to the concrete base below.

Arenzville Club Enjoys Program On Quilting Art

ARENZVILLE—The first meeting of the Arenzville Woman's Club was held Oct. 12th in the Home Economics Rooms.

The meeting opened with the pledge to the Flag, the singing of the Club Song Illinois, and the Club Prayer. Mrs. Arthur Klein-Schmidt presided over the business meeting.

Mrs. Aldo Hierman gave a report of the District Meeting. She also reported for the Finance and Budget Committee, offering a budget which was adopted. Mrs. Hierman explained the Gypsy Basket as a method of making money and started this basket on the trip.

An invitation was read from the Ashland Woman's Club to attend the County Meeting on October 19. Open House at the Jacksonville State Hospital will be on October 20th. A meeting at Peck Marquette State Park Lodge will be held October 29th.

A vote was taken and carried to order the Club Woman Magazine for each member. Roll call was answered by 42 members each naming a quilt pattern.

Mrs. Harold Kruse was in charge of the program which consisted of

group singing and several action songs by the First and Second Grade pupils, directed by Mrs. Marjorie Robertson.

Mrs. Kruse then introduced the speaker, Miss Marjorie Taylor, who spoke about Quilts. She gave many interesting facts about the early history of quilts and stories about quilts belonging to Famous People. She had in her collection one quilt made in 1819. She displayed fabrics used in making quilts, some quilt blocks and several lovely quilts.

Mystery Pals were revealed and gifts exchanged. Delicious refreshments were served by Mrs. Willard Peck, Mrs. Albert Kolbert, Mrs. Harold Wessler, Mrs. E. E. Dwyer, Mrs. Harold McGinnis, Mrs. Virgil Bartelheim, Mrs. Elmer Niesstradt.

Guests present were: Mrs. Arthur Niergenah, Mrs. H. S. Clark, Mrs. Walter Peck, Mrs. Kathryn Wood, Mrs. Florence Klokner, Mrs. Charles Grant, Mrs. Lorenz Burrus, Mrs. Warren Stock, Mrs. Clifford Thomas, Mrs. Charles Ham, Mrs. Herbert Strubbe, Mrs. Karl Franke, Mrs. Alvin Paul, Mrs. Fred Tholen of Jacksonville, Mrs. Arthur Niesstradt, Mrs. Tom Parlier and Mrs. John Taylor of Chandierville.

Bureau Postpones Meeting

The Arenzville Unit Home Bureau will not meet on Thursday, October 21st but will meet one week later on October 28th at the home of Mrs. Karl Franke east of town.

BLUFFS METHODIST WOMEN INFORMED OF ASSEMBLY MEET

BLUFFS—"Echoes of the Fourth Assembly of the Woman's Division of Christian Service" were heard at the regular meeting of the Bluffs Methodist Women's Society of Christian Service Thursday afternoon in the church.

Mrs. John Pine, who had attended the Assembly meeting in Milwaukee, Wisconsin, last May, was program leader and presented four other ladies who had also attended the session who gave very interesting and inspirational reviews of the week.

Mrs. Roy Goodell of Winchester spoke on "Devotions." Mrs. Russell Lewis of Centenary Church in Jacksonville reviewed the address of the Division President, Mrs. Frank Brooks. Mrs. Marshall Robinson also of Centenary church, told of the workings of the "Conversation groups" and Mrs. Pine took as her topic "We Follow the Way," stressing the importance of each individual member.

Mrs. A. B. Applebee of Grace Church, Jacksonville, served as Panel moderator and introduced each guest. Mrs. Cornelia Leonard read the scripture.

Donald Morris, president, conducted the short business session. Mrs. Margaret Watson welcomed the guests. Announcement was made of World Community Day

on Friday, Nov. 5, and all were invited to attend the special services being planned in Jacksonville. Mrs. Harold Oakes, Mrs. Paul Smith and Mrs. Watson were appointed to a committee to secure new curtains for the church dining room. Roll call was answered by naming a woman in the Bible.

Mrs. James Duran presented an article from the Methodist Woman on the work being done at Peck Home at Polo, Illinois. The meeting closed with a prayer by Mrs. Leonard.

Refreshments of gingerbread with whipped cream, mints and nuts with coffee and tea were served from a tea table decorated in keeping with the fall season. The hostesses were Mrs. Harold Oakes, Mrs. Harold Dodson and Mrs. C. L. Murdock.

The guests at the meeting were Mrs. Applebee, Mrs. Robinson, Mrs. Lewis of Jacksonville, Mrs. Goodell of Winchester and Mrs. P. J. Muntz. Mrs. Leroy Castle and Mrs. E. C. Thorne.

Fire Engine Catches Ablaze In I.C. Parade

Illinois College students staged what was probably the hottest homecoming parade in history Saturday, in connection with the 125th anniversary celebration. It took the Jacksonville fire department to cool it off!

The strange spectacle of a fire engine racing to the rescue of another fire engine in distress—on fire, in fact—was witnessed at 12:48 p.m., as the parade was forming on Webster avenue in front of the Illinois School for the Deaf.

The replica of an old-fashioned fire engine, prepared as a float by the Phi Alpha literary society, became overheated from a pot of Diesel oil which was supposed to cast off dense smoke, but got no further. The heat set fire to the smoke stack.

A Jacksonville fire department pumper figured prominently in the relief role, although students had the blaze under control when the pumper arrived. The float was only slightly damaged. It was intact for the parade which moved toward the public square at 1 p.m.

A large crowd was on hand along the streets to watch the homecoming parade which preceded the Illinois-William Penn football game. Various college societies were represented by floats—some sentimental, some humorous.

Uniformed bands of Waverly Chapin, Arenzville, Concord, and Bunker Hill marched in the parade. Miss Frances Zollner of Bensenville, Ill., homecoming queen, rode in a decorated automobile. College officials and alumni also rode near the head of the parade which followed a route to the Jacksonville High school football field.

GREENE CANDIDATE SPEAKS AT BERDAN WOMAN'S CLUB MEET

CARROLLTON — Mrs. Thelma Wilkinson of Roodhouse, the candidate for the office of county superintendent of schools on the Democratic ticket, was the guest speaker at the meeting of the Berdan Woman's Club held Thursday afternoon at the home of Mrs. Lawrence Becker with Mrs. N. L. McQuerry as assisting hostess.

Mrs. Pharon Meek had charge of special games after which the hostesses were in charge of a recreational program. Each member brought a leaf from her favorite tree and roll call was answered by each trying to identify the leaf which was held by her neighbor on the right.

TOASTMASTERS SEE 'BLUE BALLOT' FILM

Through the courtesy of the Elvott Bank, the Toastmasters Club viewed a film presentation of the Illinois Blue Ballot Reapportionment Amendment.

Toastmaster of the evening, John Hadden, presented Oliver McIlrath speaking on the subject, "Fire." Toastmaster Hadden then introduced Alvin Otto whose subject was, "Don't Give Up." Russell Ward chose as his subject, "Control Your Temper."

Past President Robert Werner conducted the impromptu program calling for spontaneous speeches from Howard Brown, John Hadden, Oliver McIlrath and George DeLaney.

Russell Ward was elected best speaker of the evening.

J. Frank Carson Banquet Guest At Springfield

J. Frank Carson, 717 South West street, was inducted into the Veterans club of the Metropolitan Life Insurance Co. at a banquet held in his honor in the anniversary room at the St. Nicholas hotel in Springfield. Mrs. Carson, also an honored guest, was presented with the floral centerpiece at the close of the program. Mr. Carson completed 20 years of service with the company Oct. 8.

Mr. and Mrs. Francis C. Richey of Jacksonville attended the banquet. Mr. Richey was master-of-ceremonies for the evening.

James Kenny, manager of the Springfield district; Russell Masterson and John Fenley, assistant managers, and 20 agents and their wives composed the group from the Springfield district.

Jerseyville May Have Carnegie Medal Winner

JERSEYVILLE — Robert Plummer, 12 year old son of Mr. and Mrs. Cecil Plummer, is being promoted as a potential candidate for a Carnegie Medal, as the result of his rescue of his two year old brother, Michael, when the latter fell into the waters of the Otter creek not far from the Plummer home Monday.

Mrs. Plummer sent two of her children to a store in Rosedale, and a short time after the two

children left the house, Mrs. Plummer missed Mike. She told her son Robert to look for him.

Robert walked to the bank of the creek and followed the creek for more than 200 feet when he saw Mike standing at the edge of the creek bank throwing a stick in the water.

As Mike hurled the stick, he lost his balance and toppled from the top of the bank into the water about 10 feet below. The water at that point is reported to be 15 to 18 feet deep.

When he saw his brother fall, Robert rushed to the edge of the creek and could see only a stream of bubbles coming to the surface. Without stopping to remove his clothes, Robert dove into the creek, but was unable to locate the small boy. Robert surfaced and several seconds later the child came to the top. Robert grabbed him as he was going down again and succeeded in getting the child to the shore.

Mike had taken in a lot of water and was unable to walk for some time after the rescue. Robert then took him home and the child has apparently suffered no ill effects to date from his experience.

Italy's last king was Umberto II, who succeeded to the throne upon the abdication of his father, King Victor Emmanuel III, on May 9, 1946. Umberto remained in power only a few weeks.

Mrs. Wagner 100 Today

Mrs. Anna E. Wagner, Morgan County's oldest resident, is celebrating her 100th birthday today.

Born in Cincinnati, Ohio on October 17th, 1854, she was the elder of two daughters born to John and Elizabeth Sinnott Rossiter, who had come to America to make their home following their marriage in Wexford, Ireland.

When two years of age her parents moved to Illinois and located in Adams County, where Mr. Rossiter engaged in railroad work, helping to lay some of the first track in the western part of Illinois. For a number of years her home was in Camp Point, Illinois.

While in Cincinnati the Rossiter family became acquainted with the John Wagner Sr. family, who had also come from Ireland to make their home. The two families made the trip to Illinois together traveling by boat from Cincinnati to Quincy, Ill. The Wagner family located in Clayton, Ill., where Mr. Wagner also engaged in railroad work.

On January 8, 1878 Anna E. Rossiter was united in marriage with Thomas W. Wagner, son of Mr. and Mrs. John Wagner of Clayton, Ill. Their marriage took place in the Catholic church at Carthage, Ill. Following their marriage, Mr. and Mrs. Thomas W. Wagner established their home in Jacksonville, Ill., where Mr. Wagner was an employee of the Wabash. In 1880 they built and moved into the present home at 838 N. Prairie St.

Mr. Wagner passed away on February 1, 1932. Mrs. Wagner was very active until January, 1937 when she suffered a broken hip in a fall at her home. Confined to a wheelchair since then, she spent her time sewing and reading, until the past year

Grand Secretary To Visit Grotto Oct. 23

Otto F. Hildebrandt, Past Grand Monarch and Grand Secretary of the Supreme Council Mystic Order of Veiled Prophets of the Enchanted Realm, will make his official visit and inspection of Zingbad Grotto of this city on Saturday, October 23. His visit will be officially received by the Grotto in a ceremony at the Masonic Temple in connection with the Fall Ceremonial of the local body of Veiled Prophets.

The 1954 Fall Ceremonial of the local Grotto is to include a parade, a banquet, and the initiation ceremonies of the Order and a program for the Ladies of the Grotto.

The Ceremonial Parade will form at the Masonic Temple at 3:30 p. m. and proceed East on West College to South Main, up South Main and around the Public Square, proceeding West on West State to Church street, where it will disband. The parade will be composed of several bands, marching groups, cars of the officials, several floats, displays of other civic organizations and visit-

ing groups. It will be followed by the Ceremonial at the Masonic Temple, scheduled to be staged at 4 p. m.

Banquet At 6:30 p. m. The Ceremonial Banquet will be served at the Mayfair Room of the Dunlap Hotel at 6:30 p. m. Reservations should be made with the banquet chairman. And all members and their ladies are invited to attend.

The Revel Section will be conferred at the Temple starting at 8 p. m., at which time a program of entertainment has been prepared for the ladies. The ladies' party will be held in the West Lounge of the Temple and all members' wives are invited to attend.

The Grotto will display in its float a scene of typical aid given to children afflicted with cerebral palsy. "Remember the Forgotten Child" is the name of the Grotto's national project, and in keeping with the national project, faculty members of the local public schools are work-

ing with the Grotto to display the types of aid available to those afflicted with cerebral palsy. A number of children who are receiving this training will ride on the float along with a display of the equipment used in this work which has been donated by the Grotto and other civic organizations. The local Chapter of the Order of DeMolay will also have a float depicting the work of this national project.

Zingbad Grotto officers are Robt. A. DuBois, Monarch; Byron Holkenbrink, Chief Justice; Frank Smith, Master of Ceremonies; Russell Armstrong, Venerable Prophet; Edward A. Jackson, Secretary; Rollyn B. Trotter, Treasurer; Wm. Dean Jarrett, Marshall; Thomas Svob, Captain of the Guard; Norman J. Ludwig, Chaplain and Omer Melton, Sentinel.

Officials of the Disciples of Christ will attend the ceremonies, and the public is invited. Dr. Eric Carlson of St. Louis, executive secretary of the National Benevolent Association of Christian churches, will be the principal speaker.

Christian Home Will Break Ground Today For \$500,000 Units

At 3 p. m. today ground will be broken at the Illinois Christian Home for the Aged, 870 Grove Street, in a ceremony observing the beginning of construction on two new building units at a cost of \$500,000. Dr. Eric Carlson of St. Louis, executive secretary of the National Benevolent Association of Christian Churches, will be the principal speaker.

The ceremony, to be attended by NBA officials and members of Christian churches of Jacksonville and the surrounding area, will anticipate construction which is to begin next Thursday under the direction of Harry J. Reiger, architect, and the R. B. Evans & Co., contractors.

The new buildings will consist of a 43 bed unit to be used for bedside care and a central heating unit planned to provide for future program expansion. In emergencies the bed-side unit can accommodate seventy people. Both buildings will be ready for occupancy in the fall of 1955.

Bedside Care Program The initiation of this bed-side care program marks a power development in the benevolent work of the churches of the Disciples of Christ in that a comprehensive program is being planned to include the encouragement of aged persons to remain in their own homes as long as is possible, a foster-home program, and the institutional pro-

gram provided at the Illinois Christian Home.

Details of this program are now being outlined by a special study committee made up of Rev. William A. Askew, Mrs. E. A. Schoedack, Rev. Harry Davis of Springfield, Claude Jewsbury, Rev. C. H. Owens, and Rev. Leslie G. Heuston as chairman. This program, supported by the Christian churches of Illinois, Wisconsin, Missouri, Arkansas and Oklahoma, will be consistent with the best development in modern care for aged persons and in compliance with the welfare standards of the state of Illinois.

The cost of the new construction will be approximately \$500,000, provided by individuals and churches about the central area states mentioned above. The total number of people to be served at the home, after completion of the new units will be approximately 75 under normal conditions.

Stewart Heads Committee

Byron Stewart, chairman of the building committee, has been a member of the board of managers of the home for several years. Others on his committee are Mrs. Edwin H. Garlich, Dr. W. H. Newcomb, Mrs. Helen McDougall, Fay Daniel, Jr., Rev. C. H. Owens, and Leslie G. Heuston. A finance campaign, directed by C. H. Owens, is under way in the five states to provide the balance of the funds necessary for construction.

The Illinois Christian Home, founded in 1900, is the first benevolence home for aged people established by the Disciples of Christ. During its history it has cared for approximately 350 people. Up to this time it has admitted only those who are physically able. The new program will allow admission of bed-side convalescent patients.

SECRET REVEALED

OKLAHOMA CITY (AP) — The publication was advertised as "What all women know—What every man should know." Several men sent for it.

One of them called Clyde N. Kemery of the Better Business Bureau. The volume was a cook book.

"He was really bitter about it," Kemery said, "and we agreed the bureau should do something. We will."

FIRST DOLLAR

America's first dollar bears the date of 1776, but few colonists ever saw one. The coin probably was struck in England and little more is known about it.

Shultz (right) general chairman of Our Saviour's Hospital Building Fund for \$750,000 to construct a new wing and to modernize the institution. Others shown are Father Terence J. Tracey and Earl Walters, chairman of the Lions' annual auction sale. The \$1,000 presented represents part of the proceeds of the sale conducted in September. In addition to the check the club will make gifts of \$500 each year for the next three years for a total gift of \$2,500 toward the building fund. This gift was the first to be made in the community-wide appeal to be made this fall.

New York Stock Market

NEW YORK (AP)—The Stock Market this week was buffeted by one of the heaviest falls of the year. When selling spent itself, the market steadied and held firmly at the lowest point of the week.

At the same time, there were indications that a recovery movement had strong backing, especially in the key railroad section. The fall represented a technical correction that so far has not reached major size. Nor are there any present indications, brokers say, that the fall is going to snowball into a break.

The Associated Press average of 60 stocks declined \$2.70 and closed the week at \$134.60. The retreat was equal to that suffered seven weeks ago—the heaviest decline of the year.

That was the first week of a two-week decline that represented the stiffest reaction the market had had in a year.

Brokers Saturday, of course, were seeking to guess whether the current week's slide also might be the start of another correction similar to the previous setback.

The market has been going up steadily for the past 13 months, of course, and such a sustained rise always makes it vulnerable to a technical correction.

Aside from that, there is nothing in the news to warrant undue bearishness, brokers declare.

One of the most bullish factors present right now, they find, is the strength in the railroad division. The rails have not kept pace with the industrial section of the market in its overall rise. If they lag too much, their weakness is likely to bring on general selling. On the other hand, if the railroads show strength, they are likely to command a following of buyers.

This week the railroad component of the Associated Press average rose from \$99.60 to \$100.10 while the 60-stock average was falling from \$137.30 to \$134.60.

CHICAGO LIVESTOCK MARKET REPORT

CHICAGO (AP)—Hog prices declined this week, winding up at the bottom on the largest Friday receipts of the year to date. Barrows and gilts lost 50 cents while sows sold 25 to 50 cents down. The drop left prices at about the lowest level since January, 1953.

Hog receipts at Chicago totaled about 44,000 head compared with 42,000 head in the comparative days last year. Some pork cuts sold steady to high in the Chicago wholesale pork trade.

In the cattle section slaughter steers and yearlings sold steady to 25 cents higher. All other classes also showed advances. Receipts were about 10 per cent less than a year ago as the run on Monday was curtailed by a record rainfall.

Top on prime steers for the week was \$29.50, highest since May. It was paid for two loads weighing 1,250 pounds. Lambs gained 50 cents to \$1.00 while yearlings were ahead 25 to 50 cents for the week. Arrivals showed a substantial decrease from last week and were down more than 40 per cent from a year ago. Top on prime woolled lambs was \$21.00.

SOYBEANS, WHEAT ADVANCE AS RAIN DELAYS HARVESTING

By WILLIAM FERRIS
CHICAGO (AP)—The weather gave grains their main stimulus this week. Soybeans and corn scoring modest advances as rains held up harvesting of both crops.

Weather had no influence on wheat, corn and oats and as a result they wound up the week without much price change. Lard futures staged a strong advance in sympathy with loose lard, which jumped a cent for the week to close at 14 1/2 cents.

Wheat closed 1/4 lower to 1 1/2 higher, corn 1/4-1/2 higher, oats unchanged to 1/4 higher, rye unchanged to 1/2 higher, soybeans 4 1/4-6 1/4 higher and lard 23 cents to 61.52 a hundred pounds higher.

Rainfall was emphasized in the minds of traders right at the start of the week as Chicago received a record breaking down-pour. It remained in the forefront of trading attention throughout the period, although toward the week's close skies were clearing.

The rainfall undoubtedly held up harvesting and, as a consequence, marketing of cash grain and hedge selling of futures. Just how much it held up this operation was anyone's guess. Some grain men felt farmers wouldn't have marketed soybeans even if they had harvested them.

Practically all the soybean crop in Illinois has been harvested but a substantial portion remains unharvested in Iowa and Minnesota. The corn harvest has not got underway in volume in the main belt.

While the immediate effect of the moisture was bullish, some grain men were wondering if its long run influence might not be bearish. They argued that it could mean high moisture soybeans and corn which would not be suitable for storing on farms.

Hence, it was said, the corn and beans would have to be sold rather than kept off the market for the government loan. Soybeans arriving at Chicago as the week closed were said to be high in moisture content.

MT. ZION W.S.C.S. TO MEET THURSDAY

The Mt. Zion W.S.C.S. will meet Thursday afternoon, Oct. 21, at the home of Mrs. Viola Reining and will be in charge of the program, and Mrs. Mary Armstrong will conduct the worship service. Roll call will be answered by a Bible verse.

The soybean withholding movement was causing some distress among processors, who were pointing out producers were withholding beans to store under a government loan which is around 25 cents a bushel less than the current market price.

Number Of Drowning Victims Rises Steadily

Beach, S.C., two long rows of 195 houses were reported wiped out. Damages in the two states will run into "fantastic figures," a reporter messaged by radio. Everywhere, he said, the violence of the storm was evident.

Illinois College Rolls To 40-12 Homecoming Victory

Ohio State Marches, Goal Line Stands Top Stubborn Iowa 20-14

By FRITZ HOWELL
COLUMBUS, Ohio (AP)—Ohio State staged three long touchdown drives Saturday and made two great goal line stands in the final period to retain the top spot in the Western Conference race with a 20-14 victory over a fired-up Iowa team. A crowd of 82,141 saw the game.

Iowa scored a pair of touchdowns on two great runs by halfback Earl Smith, 20-year-old junior from Gary, Ind., who went 67 yards on a pass interception and 75 on a punt return.

The Bucks went 61, 72 and 64 yards for their touchdowns, mostly on the ground as the alert Hawk-eye defense stymied the usually potent Ohio aerial attack.

With Ohio leading 20-14 going in to the final quarter, Iowa made

two valiant attempts to pull the game out of the fire. The Hawks went 76 yards in 13 plays, only to lose the ball on downs on the Ohio 11. Then they surged back from Ohio's 35 to the Buckeye six where they again lost the ball on downs.

The victory was Ohio's fourth straight of the season, third in the Big Ten. It was Iowa's second loss in four starts, both in conference play. The Bucks outgained Iowa only 241 yards to 232 from scrimmage, not counting Smith's two great touchdown runs.

The fleetfooted halfback, who the game only a few minutes old, intercepted one of quarterback Dave Leggett's passes on his own 33 and ran 67 yards for the opening score. He had a couple of key blocks on the long run, but did some fancy stepping of his own to go across the goal line standing up.

Ohio came back last, going 61 yards in 17 plays to send halfback Bobby Watkins the final one inch for the tying touchdown. Ohio tried three passes in the first period, two being intercepted and the other losing three yards.

Ohio surged out in front in the second period on the impetus of a great break. One of Leggett's passes fell harmlessly in the end zone, but Ohio was given the ball on the Hawkeye four-yard line on a 26-yard pass interference call.

Two plays later Leggett sneaked through center to give the Bucks 14-7 lead as little Tad Weed, 145-kicker, made his second conversion.

Smith put the Hawkeyes back in the game in the third period as he took Ohio fullback Hubert Bobo's punt on his own 25 and skittered down the sidelines for 75 yards and a touchdown. Watkins was the only one to put a hand on him on the long scoring jaunt.

Ohio put it on ice later in the third session, as the Bucks moved 64 yards in a 12-play scoring surge climaxed by Leggett's 13-yard pass to end Dick Brubaker.

Leggett fumbled the pass from center on the conversion attempt and loss of the extra point loomed larger and larger as Iowa took charge in the final quarter and stormed repeatedly at the Buckeye goal line.

The gambling Iowa team, back on its own 21 and needing a yard and a half for a first down, refused to kick, and quarterback Garek Reichow sneaked for the necessary yardage.

This set the Hawkeyes off on a splurge which carried 76 yards. But it was a futile drive as Ohio dug in and took the ball on its own 11.

The play which killed Iowa's chance on that drive came on third down on Ohio's 15, when from center and lost four. Halfback Ed Vincent picked up seven on the next play, but fell just short of a first down.

Ohio punted poorly to its own 35, and Iowa surged right back with two first downs which carried to the 12. But the last four plays reached only to Ohio's six, where the Bucks took the ball with a minute and 20 seconds to go from where Leggett ran three quarter-back sneaks to run out the clock.

Iowa scored: Touchdowns, Watkins, Leggett, Brubaker Conversions, Weed 2.

Sophomore Leads Pitt To Victory Over Navy

By JOE BRADIS
PITTSBURGH (AP)—Corny Salvatore, playing only his second college football game, scored twice and passed for another touchdown to direct the victory-starved Pitt Panthers to a 21-19 upset victory over previously unbeaten Navy Saturday.

Ailing Pitt Coach Lowell Red Dawson listened to the game by radio in his hospital room.

The Panthers, directed by Tom Hamilton, a former Navy coach and now athletic director at Pitt, stormed back after trailing 6-0 in the first period by scoring two touchdowns within three minutes in the first period by scoring two touchdowns within three minutes in the second quarter and another in the final period. But Pitt almost saw the victory go out the window in the closing minutes with a fumble deep in their territory.

Salvatore, a sophomore quarterback from Wilkes-Barre, Pa., tallied on a one-yard sneak and an eight yard scamper. He also pitched 23 yards to halfback Henry

on Ford in the end zone for the other score.

Navy struck for its touchdowns in the first, second and fourth periods. The difference was in the conversions. It could have ended in a tie. George Textor missed one and Dick Ehard the other. Buzz Baggett made all three for Pitt.

An on-side kickoff gave Navy the ball on the opening play. In eight plays the Midies moved 45 yards for a touchdown, with Joe Gattuso crashing over from the eight.

In the second period, Ehard passed 25 yards to Jack Garrow for the second Middle touchdown after a pass interception by Bill Hepworth. Navy's final touchdown came in the fourth period on an 81-yard drive with Hepworth going the final five yards.

Navy scored: Touchdowns, Gattuso, Garrow, Hepworth Conversions, Textor.

Pitt scoring: Touchdowns, Salvatore 2, Ford Conversions, Baggett 3.

Southern Cal Hands Oregon 24-14 Setback

PORTLAND, Ore. (AP)—Southern California's Rose Bowl hopefuls displayed their dazzling backfield speed to the nation's television watchers Saturday in crushing Oregon, 24-14.

Halfback Jon Annett, a brilliant open field runner, led the fleet victors, running up a surprising total of 179 yards by himself.

He scored all three Southern Cal touchdowns and the kicking specialist, Sam Tsagarakis, added a field goal in what became a near rout in the second half.

Oregon's adept passer, quarterback George Shaw, made it close in the first half, his losses moving the ball 47 yards to an Oregon touchdown that tied the score at 7-7 at the intermission.

But the Southern Cal backs began leaving for his passes in the second half. They grabbed two of them and turned them into scoring opportunities.

Halfback Linden Crow intercepted one in the third quarter and dashed 46 yards to the Oregon 11. It took just three plays from there for Annett to score.

Annett himself seized the next, dodging 35 yards in a run-back to the Oregon 4. He scored two plays later to put his team ahead, 24-7.

The victory kept Southern Cal in contention for the Coast Conference Rose Bowl nomination with two straight conference wins. Southern Cal will face the California Bears next week.

Oregon's scoring: Touchdowns, James, McGee Conversions, Shaw 2.

Southern California scoring: Touchdowns, Annett 3, Conversions, Tsagarakis.

Sooners Crush Kansas 65-0

LAWRENCE, Kan. (AP)—Like a fat cat toying with a crippled mouse the Oklahoma Sooners Saturday smashed the Kansas Jayhawks 65-0 in one of the most crushing victories ever scored in a Big Seven Conference football game.

It was Oklahoma's first start in pursuit of its seventh straight Big Seven title. The Sooners, who gained ranking as the nation's No. 1 team after victories over California, TCU and Texas, had little more than a warmup before an estimated 28,000 fans in perfect football weather.

Kansas, suffering its fifth straight loss, tried hard but could do little against the Sooners. Oklahoma's first unit scored four touchdowns. The second and third teams got three apiece.

The Oklahoma score was the biggest in the series and second highest in history of Big Seven teams. The Sooners' third stringers were in the game midway of the second half. Oklahoma led only 7-0 at the first quarter but quickly organized to score as it pleased.

Oklahoma scored: Touchdowns, Herndon 2, R. Burris, Harris, K. Burris, O'Neal 2, Long 2, J. O'Neal, Conversions, Leake, Prier 3, Simmons.

Badgers Explode In 2nd Half To Splatter Purdue Before 53,131

By CHRIS EDMONDS
MADISON, Wis. (AP)—Wisconsin's Badgers, outplayed sorely during the first two periods, capped a second half explosion with a 80-yard pass interception touchdown Saturday to whip Purdue, 20-6, before a record Camp Randall Stadium crowd of 53,131.

Sophomore Billy Lowe grabbed a Lenny Dawson pass on his own two and sprinted through the entire Badgermaker team to wrap up the Badgers' fourth straight triumph of the season—second in Big Ten play.

Lowe's brilliant run, helped by smart middle blocking, came on top of a pair of long-scoring drives as the Badgers, knocked back on their heels in the first half, came to life following the intermission to wipe out Purdue's one-touchdown lead.

The Badgers, second-ranked team in the nation, drove 69 yards in five plays for the first score, with six minutes to go in the third period, quarterback Jimmy Miller ramming over from the one and Paul Shwaiko kicking the point.

Alan (The Horse) Ameche, again the work horse of the Badger ground game, got the second on a smash over his own left tackle to wind up a 70-yard march with less than a minute to go in the third period. The try for the point never got off the ground as holder Pat Levenhagen fumbled the pass from center.

Purdue, with Dawson at the controls, was on the march as the fourth period got under way. The Badgermakers, ranked fifth nationally at game time, had flown from their own 35 to the Wisconsin nine when Dawson cranked up again. This time Lowe, a 176-pound halfback, picked off the ball and wheeled off on his 98-yard touchdown sprint. Shwaiko again converted.

The Badgermakers' 83-yard scoring shot came on 12 plays, with three minutes to go in the half. Dawson, alternating with Froude Gutman at quarter whizzed a 16-yard pass to end Lamar Lundy for the touchdown. Dawson's try for the point was wide.

Wisconsin, reeling from the Purdue forwards at the intermission, was a different team as play resumed. Purdue, which had rolled up 10 first downs to the Badgers' three in the first two quarters, was unable to gain the first two times it had the ball in the third period and was back on its own 11 when Ed Neve got off a quick kick to the Wisconsin 39.

Five plays, plus a 15-yard penalty for illegal substitution, after all Wisconsin needed to take the lead. Miller ripped off 23 yards on a keep play, then tossed 20 yards to Lowe for a first down on the one. Miller's sneak on the next play was good for the touchdown.

A 37-yard Dawson punt after the return kickoff started the Badgers off again. Ameche ripped off 25 yards with a pitchout and Miller passed another 26 to Jim Renke for the big gains. Ameche smashed over tackle from the five for the score.

Lowe's pass interception, midway in the final quarter, was the frosting on the Badgers' cake. Ameche was the big individual gainer with a net of 73 yards on 18 carries. Phil Erman, who took over from Bill Murawski after the Purdue fullback retired in the second quarter with a bad charley horse, was Purdue's best with 60 yards in nine tries.

Dawson completed 10 of 16 passes for 110 yards.

Wisconsin scoring: Touchdowns, Miller, Ameche, Lowe, Conversions, Shwaiko 2.

Belgium King to Visit Congo

Missouri Takes The Air To Whip Indiana 20-11

COLUMBIA, Mo. (AP)—An alert Missouri Tiger football team caught Indiana without its star man on the attack, Florian Helinski, and roared to a 20-14 victory Saturday by making the most of the airplanes for its scoring.

Indiana's Hoosiers held on gamely through the first half without Helinski, who was out with a shoulder injury, but in the third quarter the Tigers moved ahead and hung on to the end.

Missouri scored all of its touchdowns by the air route. Quarterback Tony Scardino completed two of three of his pass attempts and both were for touchdowns.

His first was a five-yard one in the second quarter to end Jim Jennings. His second went to halfback Jerry Schoenmaker in the fourth for 23 yards.

Another quarterback, Vic Eaton, fired the third touchdown pass for Missouri. A six-yard loss to end Jack Hurley in the third period. Halfback Don Domenic scored from the three-yard line for Indiana in the second quarter. And Jim Stone went over for the Hoosiers in the final period from the six after he had made a 35-yard run on a punt a few minutes earlier.

Missouri scoring: Touchdowns, Scardino 2, Eaton 1, Conversions, Gade 2.

UCLA Rolls To 72-0 Shellac Of Stanford

By BOB MYERS
LOS ANGELES (AP)—UCLA's unbeaten Bruins Saturday buried Stanford under a 72-0 score, the worst drubbing in the history of one of the oldest schools in the west.

A deadly pass defense and a spectacular ground attack by the team rated No. 3 in the nation last week literally crushed the Indians under an avalanche of 11 touchdowns.

As the UCLA homecoming day crowd of 70,355 spectators filed out of the Coliseum historians dug back into the record book to find a parallel.

They had to thumb clear back to 1901 and the first Rose Bowl game to find the next worst Stanford lugging—a 49-0 score rolled up by Michigan.

Four times in the first half the Bruins intercepted passes from Stanford's quarterback, John Brodie, and four times they wheeled away for touchdowns to build up a 27-0 lead at the half.

Then the real rout set in. The Bruins scored three touchdowns in the third period and four in a fourth quarter massacre.

Stanford had been figured to make the game at least close. They fell before Navy 25-0, last week, but defeated Illinois and Oregon earlier.

The surprising part was that the

gallant Indians from Palo Alto never quit trying. They fought to the final second.

But UCLA, while ineligible to return to the Rose Bowl, and given a 21-20 scare a week ago by Washington, couldn't make a mistake. Everyone got into the act as coach Red Sanders unearthed players not even listed in the program. Big Bib Davenport, fullback, started the touchdown parade with a 33-yard charge through the middle of the Stanford line; halfback Jim Decker followed with a 64-yard scoring run on a trick reverse; and tailback Primo Villanueva scored the next two touchdowns and passed 27 yards for the fifth.

That made it 34 to 0, but the end was far from sight.

End Bob Heydenfeldt fell on a blocked punt for a touchdown, sub tailback Doug Bradley scored from the four, and a third-string tailback, Sam Brown, sparked with two brilliant scoring punt returns—one for 33 yards, the other for 82.

Gerry McDougall, still another tailback, tallied twice on short bursts through the weary Indian line, the last in the final minute of the game.

Back in 1925, proud Stanford gave the then-baby-size UCLA its first big game. Stanford won 62-0 Saturday UCLA got a measure of revenge.

3-TD 4th Quarter Comeback Gives Marquette Victory

WORCESTER, Mass. (AP)—Marquette's warriors, apparently beaten by their own mistakes, tore and battered their way for three touchdowns in the final period through a tiring Holy Cross team to score a 19-14 come-from-behind victory Saturday.

Bob Girman slammed the final half yard at 14:05 of the fourth period for his second touchdown of the day to climax the tremendous closing burst.

The thin-ranked Crusaders entered the final 15 minutes of play with a 14-0 lead gained by capitalizing on Warrior fumbles and errant passes.

But Girman gave Marquette its first score at 1:07 on a two-yard drive to end an 80-yard march in 15 plays which included a 24-yard pass interference play called against Charlie Ratio on an aerial from Dick Shockey to Don Molenda. That put the ball on Holy Cross' 46.

Sophomore quarterback Jere Carney hit end Dick Varish on a 24-yard scoring pass at a little over five minutes to make it 14-13 for the hometowners, their Girman put it away.

Large Homecoming Crowd Sees Tigers Whip Missouri

Spartans Miss Final Minute Kick, Bow In Rain To Irish, 20-19

By JERRY LISKA

SOUTH BEND, Ind. (AP)—Notre Dame's fighting Irish, trailing 13-0 after 12 minutes, outlasted Michigan State, 20-19, as the underdog Spartans missed an extra point in the final 65 seconds of a rain-soaked thriller today.

Battling viciously to prevent a modern Notre Dame disgrace of losing four straight to the same team, the Irish rallied for touchdowns in each of the last three periods and staggered to victory only because Michigan State failed to convert after a dramatic closing touchdown.

After the Irish seemingly had the game under control with two touchdowns by halfback Joe Heap in the second and third periods and halfback Paul Reynolds in the fourth, Michigan State struck 58 yards for a third Spartan touchdown in two plays.

Thus with 1:05 left, fullback Jerry Planutis of Michigan State had it in his kicking foot to tie the score.

But his kick went wide of the goal posts and the Irish won their third victory against one defeat.

The rain-pattered game started at a furious pace and it never let up throughout a dismal afternoon in which the officials kept swapping the water-logged ball for a new one every play or so.

Michigan State's opening touchdown came off the opening kickoff on a sizzling 60-yard drive in 13 plays with Peaks flitting around Notre Dame's right end from the four to score. Planutis booted the point for a 7-0 Spartan lead.

The steamed-up Spartans slashed quickly for their second touchdown late in the first period after Guleinski fumbled and MSC's guard Ferris Hallmark recovered on Notre Dame's 35.

A holding penalty set the Spartans back to Notre Dame's 46, but on the next play Morrill whipped his 46-yard scoring pass to Lewis, who grabbed the ball on the 29 and easily scooted into the end zone.

Planutis' point try went wide to the right and Michigan State led 13-0, leaving the Irish bewildered and looking as smeared as their mud-gummed togs.

But the Irish raged into control in the second period in which Michigan State only had the ball for eight plays.

A 71-yard Irish drive was frustrated when sub fullback Jack Tuck fumbled and Planutis recovered on MSC's 6.

But Notre Dame bounced right back for their first touchdown with a 31-yard strike with heap smashing from the one on a fourth-and-goal play. Schaefer's conversion left Notre Dame behind 13-7, the halftime score.

The second half was 8:30 gone when Notre Dame moved ahead 14-13 on Heap's 16-yard flit around MSC's left end and Schaefer's second conversion.

This Irish touchdown came after center Dick Szymanski intercepted Earl Morrill's pass in mid-field.

Notre Dame battered 45 yards to score in 12 plays, including a 15-yard penalty for holding from the 1 which set up Heap's second pay-off run.

FRIDAY'S FOOTBALL RESULTS

Jacksonville 12, Notre Dame 0

Although the rain and cold weather kept the crowd to a minimum it didn't dampen the enthusiasm of the 1500 homecoming fans who braved the weather to watch the Jacksonville Crimson and white Notre Dame of Quincy a 12-0 setback.

Ron Trier and the rugged Crimson line told the story of last night's victory. It was the fleet 175 pound halfback who raced 47 yards to score the first TD in the initial period and came back to smash 17 yards for the final TD in the second period. The Jacks' line was terrific throughout the evening. Near the end of the second period it was this forward wall of Roegge, Woodward, Prather, Marquard and Co. that stopped the Notre Dame attack four plays in a row to hold the Irish after a pass was ruled completed on the five yard line on pass interference.

The Notre Dame ground attack seemed to be hampered more than the Crimson on the slow, muddy field. Although the Crimson picked up three first downs in the first quarter their lone score and the only scoring threat of the period came on a 47 yard gallop by Trier near the end of the period. After the visitors punted, the Jacks took over on the ND 47 yard line. On the first play from scrimmage, Trier tried to go off guard but saw there was no hole so he took off around left end and raced into the end zone to bring the "teeth chattering" crowd to its feet. Woodward's attempted kick for extra point was not good but the Crimson had a 6-0 lead at the end of the initial frame.

The second and final TD of the game was set up by the strong Jacksonville forward wall. Notre Dame went back to kick and in came Roegge and Woodward. Max blocked the kick and Woody fell on the ball to give the Crimson the ball on the ND 17. Dyer picked up two before Trier raced through center to make the score read 12-0. The run for the point after was not good.

Notre Dame came back to put on a running attack of its own after taking the J.H.S. kick. Waterrote and Bolt took turns carrying the pigskin and picked up three first downs in a row before the pass interference penalty placed the ball on the Jacks' five yard line. At this point the Crimson line played great ball and held the visitors. Halftime score 12-0.

Biggsville 59, Routt 27

The Routt Rockets found the going tough as they traveled to Biggsville Friday night for an inter-sectional battle with the northern school. The Rockets were downed by the host team by the score of 59-27.

The big gun for the winners was a halfback by the name of Kinslow who accounted for four of the winners' touchdowns and passed

for a fifth score. The Rockets got off to a bad start. They fumbled on their own 15 at the beginning of the game and Biggsville recovered. Kinslow went over from the 9 for the first score of the game. He also made the point after.

After an exchange of punts, Dickie Lewis blocked a host punt and the Rockets recovered. George Dee scored from the 14 and Casler kicked the extra point to make it a 7-0 tie.

Biggsville's second TD came on a 21 yard run by Kinslow before the quarter ended. The Rockets took the host kickoff and carried to the 15 on gains through the line. DeVore passed to Fredericks, Prather, Marquard and Co. that stopped the Notre Dame attack four plays in a row to hold the Irish after a pass was ruled completed on the five yard line on pass interference.

Each scored on a 10-yard thrust in the third quarter. In the fourth period, Lambert raced 42 yards for a touchdown and Chizevsky tallied on a 53-yard runback with an intercepted pass.

Roy Mack Expected To Decide For Sure Monday On 'A's'

PHILADELPHIA (AP)—Roy Mack is expected to decide for keeps Monday whether the Philadelphia Athletics are to go to Kansas City or stay here under the guidance of a syndicate which says it has offered all the Macks "more than they could get for the franchise anywhere else."

A meeting with the syndicate of seven wealthy Philadelphians is scheduled for 1:30 p.m. in a lawyer's office in downtown Philadelphia. Roy is expected to say yes or no to the syndicate at that time.

One of the members of the syndicate who declined to be quoted by name, said "I think we're going to be successful. We've offered the Macks everything they want. I don't see how they can turn us down."

Roy, executive vice president of the A's, has until Monday morning to notify American League President Will Harridge what he intends to do with the club. At a meeting in Chicago last Tuesday, the league voted to sell the franchise.

MINNEAPOLIS (AP)—Unbeaten Minnesota, marching back to old-time grandeur under a new regime, smashed puncheonless Illinois 19-6 with a merciless ground attack Saturday for its fourth straight victory.

The loss, Illinois' fourth straight, plunged the defending champions to a new low over the last decade and marked the first time in 65 years of football that the Illini lost their first four games.

Minnesota 11th ranked in the nation, ran rampant against a bewildered Illinois line that never solved the brutal power plays of Bob McNamara, John Baumgartner and reserve fullback Ken Yackel.

Operating Coach Murray Warmath's split T with sledgehammer efficiency, Minnesota sent Bob McNamara over from the three in the first quarter. Darrel Cochrane from the one in the second quarter, and Baumgartner from the 10 in the third.

Illinois' offense, in a season-long paradox, came to life only once in the third quarter when J.C. Caroline banged over from the three to top a 73-yard Illinois march.

The Gophers found the glaring Illini weakness at the tackles early. There was nothing spectacular about the Minnesota offensive. Quarterback Geno Cappelletti sent first McNamara, then Baumgartner or Yackel crashing off tackle and between the guards in plays that rarely failed to produce four or five yards at a clip.

The victory was Minnesota's second straight in the Big Ten.

For Caroline it was an afternoon of frustration before the capacity crowd of 63,810 Minnesota's active line had the Carolina fireball stymied on handoff plays and kept him penned up on his favorite sweep plays.

Gopher tackle Bob Hobert, who cleared the way for many of Minnesota's key plays, fell on an Abe Woodson fumble on the Illini 32 in the first quarter. Eight plays carried the Gophers to their first score, McNamara counting on a pitchout.

Minnesota's second string barged 46 yards late in the second quarter for the second touchdown. Dale Quist's 16-yard keeper play consuming the big hunk Cochrane bucked over on a handoff.

Cappelletti put some variety in to the Gopher attack in the third quarter and hit McNamara with a 33-yard pass that set up the third score.

Baumgartner and McNamara moved Minnesota to the 10 and Baumgartner poured through a massive hole in the Illinois left side and upended two Illini tacklers on the goal line to score.

Elmhurst took a lead in the second quarter when quarterback Ed Bodman capped a rushing drive with a dive over the visitors' goal line.

But a fourth quarter pass, Carnell Newman to Mervin Haycock, evened the score and set the stage for Hal Nemoto's payoff of conversion.

Amboy Boy Dies Following Fight After Game

DIXON, Ill. (AP)—A 20-year-old Amboy, Ill. youth died Saturday of injuries suffered in a fight following a high school football game at Amboy Friday night.

The victim was William Robert Latta.

Lee County Coroner Robert F. Preston said he had been unable to piece together an accurate version of the fight but understood that it involved Latta and four Bettendorf, Iowa, youths. He said he thought the Bettendorf youths were football players.

Preston said no arrests had been made and that he wouldn't disclose identity of the Bettendorf boys until after an inquest set for 3 p.m. Sunday.

The coroner reported that the fight took place in the Amboy business section after Bettendorf had defeated Amboy 21-0 in the football game.

Latta suffered a skull fracture, Preston said. He died in a Dixon hospital.

Minnesota's second string barged 46 yards late in the second quarter for the second touchdown. Dale Quist's 16-yard keeper play consuming the big hunk Cochrane bucked over on a handoff.

Cappelletti put some variety in to the Gopher attack in the third quarter and hit McNamara with a 33-yard pass that set up the third score.

Baumgartner and McNamara moved Minnesota to the 10 and Baumgartner poured through a massive hole in the Illinois left side and upended two Illini tacklers on the goal line to score.

Elmhurst took a lead in the second quarter when quarterback Ed Bodman capped a rushing drive with a dive over the visitors' goal line.

But a fourth quarter pass, Carnell Newman to Mervin Haycock, evened the score and set the stage for Hal Nemoto's payoff of conversion.

Spinkmen Make Fourth Win Of Year A 48-0 Capture Of Missouri

Coach Jim Spink's Illinois School totaled 46 yards. Rampley made the one of the largest homecoming point after.

At the beginning of the second half the Tigers put on a march spearheaded by Jack Rampley. The hard-hitting I. S. D. back picked up two first downs in a row on runs of 20 and 32 yards and came back one play later for another 18 yard run that carried to the four line marker of the visitors. Kleoc went over from that point and Duncan passed to Zachariasen for the point after.

I.C. Founders Praised By Governor At 125th Year Homecoming Fete

Governor William G. Stratton expressed his gratitude and admiration for the men who "first dreamed, then built," Illinois College as he spoke Saturday morning at the college's 125th anniversary Homecoming assembly in the Memorial gymnasium.

The governor traced briefly the history of the college, mentioning its legal origins in the laws of the Northwest Territory. "But noble intentions . . . provided in law, do not produce school buildings or the men who teach in them," he continued.

Illinois College was produced, he said, by men who first had the courage to dream, then the faith to build, an institution of higher learning in a city which, at the time of the college's founding in 1829, was but four years old.

He pointed to the great men in Illinois College history—many of whom have their portraits on the walls of the governor's office in Springfield—and told of "the honor, admiration and respect which we all hold in our hearts for them."

The Governor contrasted the Illinois College of old with the changed and changing institution of the present. In the early years of the college, he pointed out, it cost a student only about \$95 a year to gain further instruction in the "3 R's," which were then not only the basis but the entire substance of education.

First The Stone

It costs more now, he continued, but the program, both curricular and extra-curricular, has broadened and deepened and the facilities

of the college are almost unbelievably improved since that January day in 1830 when professor Julian Sartwell and nine students had to set up a stove in Beecher Hall before the first class could be held.

Speaking to his class in a barren room on that cold and dark winter morning, continued the Governor, Sartwell told his students that "we have opened a fountain of learning for future generations to drink at."

Stratton concluded his address with a biblical quotation from the book of St. Matthew: "Well done, O good and faithful servants."

Cultural Center
Preceding the Governor on the morning's program, Mayor Ernest L. Hoagland of Jacksonville stated that the founding of Illinois College only four years after Jacksonville was first settled established the city's tradition as a center of culture and religion.

"Jacksonville is proud," declared the Mayor, "to be the home of the oldest college in Illinois. He concluded his remarks with a statement of his faith that "Jacksonville and Illinois College can go forward together in the years to come to a greater community and an even greater Illinois College."

Following the Governor's address, fourteen alumni of the college received citations for distinguished service to mankind and the college. Dr. James L. Bunch, a 1931 graduate of the college, presented the candidates for awards and college President William K. Selden conferred the citations.

The Honored Fourteen

Recipients of the honor are Dr. George E. Baxter, Walter Bellatti, George Montgomery Burrus, Harry Joy Dunbaugh, Frank Ramsey Elliott, David Waddell Frackelton, Hugh Parker Green, Edwin Dronafeld Jackson, Charles Albert Johnson, Dr. Frank Garm Norbury, Carl Edmund Robinson, Clarence O. Shunk, Lois Daniels Watkins and Benjamin S. Wright.

Details of the citations will be found in another article. Official presentation of the keys to the college's new dormitory for men was then made by Hugh Gibson, general contractor for the building, and Edward Tourtelot, architect. Gibson and Tourtelot expressed their conviction that the \$200,000 building "marks the beginning of a new era in housing at Illinois College."

Capps Takes Keys

Accepting the keys for the college, Robert M. Capps, vice president of the board of trustees and chairman of the building and grounds committee, thanked distinguished donors to the college who made the building possible.

Last on the program appeared William K. Selden, who is beginning his second year as president of the college.

Selden re-emphasized the academic values of Illinois College saying "when you first unveil a plaque, first see a new building, first see an old building restored, it is easy to overemphasize the physical side of a college."

"We Must Not Forget"

Expressing, then, his gratitude to the many whose generosity has made the recent improvements in Illinois College's physical plant possible, the President said, "When we look at these buildings, we should not forget the alumni who sit in the front row here today."

"We make changes," he concluded, "not for the sake of making changes, but to blaze a pathway into the future."

A luncheon for alumni and friends of the college in Baxter Hall, a parade down State street, around the square and out to the Jacksonville High School football field, a 40-12 victory over William Penn and an evening formal dance in the Memorial Gymnasium concluded the 125 anniversary Homecoming celebration.

John W. Walker Found Guilty Of Manslaughter

WINCHESTER—The Scott county Circuit Court jury which has been hearing the murder case against John Wesley Walker returned a verdict finding the defendant guilty of manslaughter at 3:30 p. m. Saturday. The case had gone to the jury shortly afternoon on Saturday.

The verdict was read by Allen McCullough, foreman of the jury and was received by Judge Dewitt S. Crow of Springfield, who has been hearing the case which was commenced Wednesday morning.

A. W. Schimmel, attorney for the defendant, made an oral motion to set aside the verdict and for a new trial and was granted until October 26 to file his written motion for a new trial.

States Attorney Richard E. Mann explained, following the pronouncement of the verdict that a conviction of manslaughter carried a penalty of from 1 to 14 years in the penitentiary and that under this verdict the term of confinement is set by the judge under a murder conviction the penalty is fixed by the jury.

Achievements Of 14 I.C. Alumni Set Forth In Service Citations

In a special Homecoming ceremony Saturday morning, 14 Illinois College alumni received special citations for distinguished public service, the first time such awards have been given by the College Board of Trustees.

The awards were made by President William K. Selden for the college, upon nomination by a special alumni awards committee headed by Dr. James L. Bunch. Dr. Bunch presented the candidates to the Homecoming audience.

Those who received citations are listed below. A brief summary of the list is included.

Dr. George E. Baxter '96 Honorary 21 trustee since 1924 and chairman of the board of trustees 1932-1937. "His name is already an integral part of campus life. After graduation from medical school, he went to Europe for further study, then returned to Jacksonville to open his first office. Later, he located in Chicago and became one of the outstanding pediatricians in the nation. He served on medical advisory boards during the World War has been a civic leader, a devoted benefactor to Illinois College. His interest is at all times evident. Baxter Hall is a constant reminder of the generosity of Dr. and Mrs. Baxter. Awarded for his loyalty to this College for his faith in young people, and for his foresight in planning and his belief in the future of Illinois College."

Walter Bellatti '05 "In the private practice of law and as a former city attorney of Jacksonville, he has brought honor to his Alma Mater. He has participated in many civic affairs which have benefited his city and his state. Since 1919, the college has been fortunate to have the expert services of him as a member of the board of trustees. He is seriously concerned with all the problems and activities of the college, and intricately tied to her interests."

George Montgomery Burrus '85 "His long career in education and public service extends from his experience in a one room country school through high school teaching. Under state civil service he was on the staffs of several Illinois institutions and was an early superintendent of the St. Charles School for Boys. Awarded for his contributions to the field of education. "Because of Mr. Burrus' present infirmities, the citation was granted in absentia. He is the oldest living graduate of the college."

Harry Joy Dunbaugh '99 "Legal scholar, learned counselor and senior member of the noted law firm of Isham, Lincoln and Beale of Chicago. Despite the pressing urgency of affairs in a responsible career, his interest in and loyalty to Illinois College have never wavered. He first became a trustee of the college in 1913, serving faithfully for 19 years. Again in 1932 he accepted the appointment which has been continuous to this time. Since 1938 he has carried the burden of chairman of the board, a position requiring much of his thought and innumerable hours of his valuable time. Of these he has given unstintingly and cheerfully. His generous spirit and gentle dignity are an inspiration to all who love Illinois College and labor for her future."

Frank Rumsey Elliott '99 "A descendant of a pioneer banking family, he has carried on the family tradition with all the qualities of integrity, fairness and keen acumen vital to success and honor in the great institution of banking. His early training his alertness to detail, his wide interest in all phases of his chosen profession fitted him naturally for his progression to the office of president of the Harris Trust and Savings Bank of Chicago and at present chairman of that board. His constant services as a member of the board of trustees of the college since 1917 are invaluable."

David Waddell Frackelton, '94 president of the Chandler-Pieper Company, Cleveland. "His business activities have never excluded time for civic duties, for church or for charitable services. In Cleveland he is known especially for his progressiveness as a director of the Chamber of Commerce and for his work for the Home for the Aged. Twice he has accepted trusteeship on the Illinois College board. His loyalty to the college have been strong through 60 years."

Hugh Parker Green '09 former state's attorney of Morgan county, now state representative in the general assembly and former speaker of the House. "Throughout his 30 year career in public life, he has represented his constituents with wisdom and reliability. He has instituted legislation and worked steadily for better government and beneficial reforms for the people of this state. In recognition of his long years of public service, his fairness, his integrity, his devotion to all programs involving community betterment, and for his interest and activity in the affairs of Illinois College."

Edwin Dronafeld Jackson '05 A veteran civil leader of Chicago, he has served as president of the Northwest Federation of Improvement Clubs, numbering over 75 individual groups. Recently he returned to Jacksonville to live. "A man devoted to Illinois College and generous through the years with his time and energies, faithful member of the Chicago Alumni Society and an inspiring force."

Charles Albert Johnson '97 "The city of Jacksonville has been fortunate indeed, to claim the interests and services of one of her native sons. His continuous and continuing concern for the welfare of this community represents more than 50 years of civic responsibility.

A past president of the Elliott State Bank, he has given time to many civic movements. Last year he became the first trustee-emeritus of Illinois College. Awarded for his loyalty, his service, and the high standards of his busy career."

Dr. Frank Garm Norbury '12 Commanding officer of the 83rd General Hospital, serving in Wales, Germany and France in World War II, Dr. Norbury remained abroad for a time after hostilities ceased, serving his country in post-war activities in Germany. He is now president and director of the Norbury Sanatorium. "He has given generously of his energies and time to the local board of education, the tuberculosis board, and is a past state medical officer of the American Legion. He is affiliated with many major medical societies, state and national, and is a Diplomat of the American Board of Psychiatry and Neurology. He is president-elect of the Illinois State Medical Society. A trustee of Illinois College since 1928, he has served these many years with serious and purposeful interest, and is secretary of the board."

Carl Edmund Robinson '09 "has given unparagonably his talents and his energies in every enterprise in which he has participated." He has been a state representative and a state's attorney. His contributions to the civic life of Jacksonville and Morgan county are innumerable. With his quiet manner and inherent dignity he gives himself without reserve to the groups which seek his help. Since 1924, when he became a trustee of the college, he has been devoted to the best interests and worked for the advancement of this institution."

Clarence O. Shunk '99 Son of a minister, he entered Illinois College in 1895 aspiring to finish with his class, but by the end of his first year, he knew that duty required him to take employment to assist his widowed mother and her family. "His service to his home city of Freeport, his efforts in behalf of education for the youth of that city are recorded in the annals of the Board of Education on which he served. He has a deep appreciation of Illinois College, and has made untiring efforts in directing students to this campus."

Lois Daniels Watkins '18 editor-publisher of the Ashland, Va., Herald-Progress, has given service to the Ashland community league, PTA, the board of Christian Movement Council of Randolph-Macon College, and counseling with young people. Awarded "for her commendable service in state, county, and civic affairs; for her portrayal of successful wife, mother and professional woman; for her continuous interests in Illinois College and for the distinction she is bringing her Alma Mater through citations and awards in recognition of her journalistic ability and community service."

Benjamin S. Wright '29 "has carried into the business world those same qualities of leadership and ability which distinguished him while a student at Illinois College. In 1940 he became associated with the Owens-Corning Fiberglass Co. where he has won constant recognition for his able services. At the present time he is a vice president, and is active in the Toledo Chamber of Commerce, National Retail and Credit Associations, the YMCA, and the Toledo Kiwanis Club. In June he completed a three-year term as an alumnus trustee of the college, giving generously of his time, his enthusiasm, and his business experience."

Famous Cattle Trail Fostered By This Area

West Central Illinois played a assured a market to trailers from large role in the development of "The Cattle Trail," that long walk from the Rio Grande to the railroads in Kansas.

Thousands of men and millions of cattle made the trail. It brought the North and the South together in free commercial enterprise for mutual betterment and that betterment helped bind up the many wounds left by the Civil War.

It spurred railroad building and town building and the development of the western plains. It brought the Longhorn steer out of Texas, where he had roamed in such numbers that he had practically no value. It brought employment to thousands of people in many lines of work. It brought meat to the tables of millions of hungry Americans, some of them just recent immigrants from traditionally meat-short countries. It was a long and winding road that brought happiness to many.

And this section of Illinois had much to do with the building and promotion of this famous trail. Wayne Gard in his latest book, "The Cattle Trail," a Dallas newspaperman and columnist, Gard graduated from Illinois College in 1921.

Gard recalls Joe G. McCoy of western Sangamon county the prime mover in the development of the trail. It was he who set up the great shipping yards at Abilene and

Illinois Farmers Outlook Letter

CATTLE FEEDING PROFITS MAY EBB

Most cattle feeders may have had average profits in the 1953-54 season. This fact, plus good pastures in most of the important cattle-feeding areas, made a strong demand for feeder cattle this fall. Large numbers of stockers and feeders at prices \$1.00 to \$3.00 higher than last fall. These higher first costs seem likely to squeeze profits to less than normal in the 1954-55 season.

Beef supplies and cattle prices. Supplies of beef in 1955 seem likely to be nearly as large as those of this year. It is possible that even more cattle will be marketed in the year ahead than in 1954.

Although consumer buying power is expected to hold near 1954 levels through 1955, no marked increase in the demand for beef is now in prospect.

If, as is now expected, both supplies of and demand for beef continue near 1954 levels through the next year, prices for slaughter cattle will also continue in the same range.

Feed supplies. Feed costs in 1955 seem likely to average near those of this year. The supply of feed grains is 4 or 5 percent larger than it was one year ago, but there has been a corresponding increase in numbers of grain-consuming animals. It appears that the average price of corn will be 5 to 10 cents higher than it was in the past crop year.

Protein supplements may cost a little less for the coming year than they did in the past feeding year. There should be more and cheaper sorghum meal because the crop is one-fourth larger than last year's. But there is less cottonseed meal in prospect, because both acreage restrictions and drought cut the cotton crop.

The lower profit margins in prospect for this year do not allow any cushion for mistakes in feeding or marketing. Costs of grains must be kept low by making good use of roughages and by buying protein supplements that furnish protein at the lowest price per pound.

Aim for best markets. Remember the seasons that usually bring the highest prices for each grade of cattle. Common and Utility steers, cows and other cheap cattle almost always sell best in the spring months—April, May and June.

Steers that grade good most often bring their prices in June, July and August. Good heifers also sell well on the early summer market. Ladies of the Wesley Chapel church will serve a dinner at noon. Families are asked to take a covered dish or pie.

LYNNVILLE-POINT FARMERS TO HELP IN NEIGHBORS CROP

Farmers living in the Point and Lynnville communities are planning to gather Tuesday, October 19, to harvest crops at the farm home of Mrs. Ralph Crocker. Anyone not already contacted and wishing to help in this gratis work is invited to join the group.

4-H Clubbers Pick Their Beef Calves

There'll be some real competition in the Hereford beef class at the Morgan County Fair next August, thanks to Robert Houston of the Ebenezer neighborhood, the Farm Bureau 4-H committee and the Farmers State Bank.

The bank really spurred the idea. It paid a share of the expenses to send Houston and Assistant Farm Adviser Joe Faggett to the Burwell, Neb., Hereford auction. The two men picked out 47 head of Hereford calves. They were shipped from Burwell to Beardstown, via the Burlington. Houston hauled them from Beardstown to his farm.

The bank offered to finance a calf for any 4-H member. There were some stipulations: The note would bear interest at the rate of 5% per annum; the buyer must take out insurance; and must show the steer in the Morgan County fair.

Eleven Morgan County youngsters took advantage of the deal. Four of them took two calves.

The 47 head purchased in Nebraska made a carload. The Farm Bureau 4-H committee looked over the herd and picked out the 20 best ones. They were driven into a pen.

Then the boys and girls drew lots. Four steers were gate-out from the main pen into a smaller pen. The boy that had ticket No. 1 took his choice. It was cut out and driven onto the scales.

Then another steer was let into the smaller pen and the 4-H member who held ticket No. 2 made his choice. And so on through the list.

Parents were around, but they weren't able to make suggestions to the children who were making their own selections. Some parents wore a wide grin when their child signaled at a particular animal; some just shook their heads and tried to smile. For in almost every instance the boys and girls picked out the biggest, the heaviest, animal in the lot. They grade livestock just as this writer does.

The biggest one must be the best. Parents, especially the well-heeled ones, praised the idea and the bank.

One father said: "He's got plenty of money to buy a steer, but I'd rather see him sign his John Henry on a note. It will help him realize the facts of life."

Evidently most of the parents felt the same way. Three of the 4-H kids paid cash; the others signed notes.

The calves cost 23½ a pound. They ranged in weight from 425 to 610. The insurance costs 7½¢.

Other members of the 4-H committee are Warren Lakamp of route 1, and Chester A. Thomason of Chapin.

Boys and girls who selected Hereford calves were Danny and Charles Smith, Harry Sweet, Gary and Charles Watkins, Rosemary Culp, Tom Dineen, Hattie Henderson, Connie Houston, Raymond Love and Ralph Lawson, Jr.

Note to fat people: Riding in a boxcar, standing up, from Bur-Bureau 4-H committee, left, and LeRoy Sweet of Franklin, superintendent of the beef division of the Morgan County Fair.

The calves weighed an average of 493 pounds when they left Nebraska; 448 when they landed in Beardstown.

FARM HOME ADVISERS TO GO TO CONFERENCE

Farm and home advisers of this area will attend the annual fall extension conference to be held at the U. I. College of Agriculture, Urbana, Oct. 19-22.

The conference is designed to help farm and home advisers keep in touch with research at the University and with new extension programs and development.

Sessions will feature the new farm and home development program, 4-H club camping and ways in which extension personnel can work together for better programs. Agricultural and home economics workers will meet separately to discuss subject matter with University specialists.

Chandlerville Fellowship Group Plans Cookie Sale

CHANDLERVILLE—The Pilgrim Youth Fellowship of the Congregational church met Sunday afternoon, Oct. 10 at the church. The meeting opened with a prayer offered by Rev. Kenneth Koerner, followed by group singing, Trust and Obey, with Miss Berdella Dyson at the piano.

Devotions were led by Charlene Atterberry. A discussion was held on money making projects. Several ways were discussed but the vote was unanimously for a door to door cookie sale.

At the end of the business meeting Arnold Gerdes was presented with a beautiful pocket edition of the New Testament. He will be leaving Oct. 21 for the army. He expressed his deep appreciation for the gift.

Plans were made for Halloween festivities to be revealed at the meeting at 2 p.m. Oct. 24.

125 YEARS OF SERVICE

Four years after the founding of Jacksonville, pioneer men of vision organized a college. They christened it Illinois College, a name then singularly appropriate because there were no state tax-supported universities. Indeed, with the exception of McKendree and Shurtleff, both of which commenced instruction at about the same time, there were no other institutions of higher learning in Illinois.

John Ellis, an itinerant missionary, who first conceived the idea of the college and who with Thomas Lippincott located it upon its present beautiful site, joined the forces of his Presbyterian followers with the energies and devotion of a group of Yale University students to make his dream a living reality. Julian M. Sturtevant, one of the members of the "Yale Band," the first teacher at the college and later Edward Beecher's successor as president, described the first class in these words:

"Our first business was to put up a stove, which occupied us about two hours, carpenters and teacher, and trustee and students cooperating in the work. Pupils were then called to order. I addressed them a few words and among other things told them . . . what my heart felt and believed, that we had come there that morning to open a fountain for future generations to drink at."

Since that first day of instruction Sturtevant's prophecy has been fulfilled over a period of many generations. And in the future it will continue to be fulfilled, for the fountain, after 125 years, is still going strong, still making available to students fine educational opportunities in the field of the liberal arts.

Jacksonville is proud of Illinois College, proud that it has consistently held to high academic standards as an independent college throughout the years. The people of the community are proud, too, that Illinois College continues to be guided by men of vision who, with an eye toward the future, are resolved that the ideals of the founders will be carried on for untold generations yet to come.

NEW YORK # — In changing America nothing changes more than the idea of success.

Everybody starts life in this country with the desire to be a success. But how can you tell, as the Army saying goes, "when you've really got it made?" The finest test of success in any civilization, whether a man lives in a concrete jungle, the desert, or a vine-tangled forest, is simple. It is the ability to meet the fortunes and misfortunes of a lifetime with fortitude and inner serenity.

But usually only old people come to a full realization of this truth. Many of us spend our lives trying to achieve the outward trappings that pass for success and die without fully realizing we have missed the real thing.

American success goals have undergone almost as many transitions as women's clothing styles. The fashion of today is old hat tomorrow.

One fashion that seems dying in America is the idea that success begins with birth. Under this theory any person descended from someone who came over in the Mayflower or fought in the American Revolution is automatically, by pride of family, lifted forever above the reeking herd who came to this country later.

The ancestor-worship cult still holds a thin blue-blooded axis from Boston to Charleston. S. C. escaping the realities of the present by poring over the footnotes in genealogy journals. But the attitude of most America is "never mind what your great-great-grandpappy was. What are you?"

To mingle in high society is no longer much of a success aim either. High society is practically as out-of-date as netrich feather fans. The trouble with high society is that it began to act too low.

Great wealth is no longer as it was in the guided age, a success goal for most people. Few of us any more dream of living in an uncomfortable castle, imported from Europe alone by stone, and staffed with 30 servants. Who any longer has an ambition to be remembered as "the richest man in the cemetery?"

Owning a swimming pool was a badge of success for a time in Hollywood. But when it became possible for any handy guy to build a swimming pool in his backyard, well—it lost its snob appeal. So have winter vacations in Florida. Too many folks can afford them now.

What are the success goals of people today?

In business, it seems to me, these are the symbols of achievement to the go-getter:

- 1 A \$25,000 a year job with a big corporation
- 2 An expense account
- 3 Somebody to answer his telephone for him (For some obscure reason corporation employees all ways regard themselves as failures unless a secretary filters their telephone calls.)
- 4 The right to conduct his business on a golf course or during a martini-haunted three-hour luncheon
- 5 The ability to get tickets to the right shows and sports events, and enough money to send his wife and children to a psychiatrist so he won't have to solve his family problems himself.

For some reason only show people think going to a psychiatrist themselves is a success symbol.

Most businessmen still cling stubbornly to the idea they couldn't possibly need a psychiatrist, although some do go to fortune tellers for advice on their stock market operations.

But how about the average man? What are his ideas of success?

Pretty basic. He feels if he can own a car and buy a home, keep his kids in school and out of jail, pay his taxes, buy a new suit every year and make a friend of his wife, he's pretty successful. And so he is.

SO THEY SAY

A man's reputation is one of his most prized possessions. To blench that reputation by unverified allegations of disloyalty is to do grave injustice.

'Windfall' Victim—Red Faced—Burning Desire—Handshaking—Army Flat Feet—Poet Larson

BY DOUGLAS LARSEN
NEA Staff Correspondent

WASHINGTON —(NEA)—If any part of the federal housing "windfall" scandal ever reaches the U. S. Supreme Court, Chief Justice Earl Warren may have to disqualify himself from taking part in the decision. He has been one of the victims.

When the new Chief Justice first hit town with his family he moved into the newly-furnished, plush Woodner Hotel. It now turns out that \$80,000 worth of detective fees spent in connection with the building's divorce, were included in the cost of the government-financed building. This increased the rent of the apartments and of course brought Warren into the problem as an interested party.

A Couple Of weeks ago when Secretary of Treasury George Humphrey was down in Texas to speak at a tax institute meeting sponsored by the University of Texas, Governor Allan Shivers made his personal car and chauffeur available to him. Shivers was going to be out of town.

Humphrey was delighted at this courtesy, and decided to do some sightseeing. After inspecting most of Austin, Humphrey found himself in the country just outside of town.

"I hear there's a big lake near here," he said to the chauffeur.

"Can we drive over there to see it?"

"I'm afraid not right now," the chauffeur said.

"Don't tell me that the personal car of the governor of the great petroleum-producing state of Texas is about out of gas?" Humphrey asked jokingly.

"It's my guess that there may be a table-spoonful left in the tank," the chauffeur replied.

"Somebody just forgot to fill the tank this morning?"

"They barely made it to the next gas station."

In Case Any young Republicans have a burning urge to organize a torchlight parade for a candidate, the Young Republican Federation New Orleans:

of the national committee provides them with the following instructions in a special pamphlet:

"Five foot poles should be used.

At one end wrap either cotton cloth or burlap very tightly. Dampen the night before and then soak in a mixture of white gas and crankcase oil. Under the wrapped end slide a large can which has a hole the same size as the pole. Then place two nails in the pole just under the can to keep it from dropping on the carrier during the parade."

The pamphlet also gives this advice:

"If cars are to be used there should be at least 20, with as many convertibles as possible. Expensive cars should be avoided if possible."

The Democratic National Committee is recommending that whenever a local candidate finds a billboard with a picture of his opponent shaking hands with President Eisenhower, that he erect next to it a picture of himself shaking hands with a typical voter of that area.

U. S. Army Provost Marshal General William Maglin has put his MPs back on their feet. "Whenever possible we have increased the number of MPs who walk beats," he reports. "and I can say that the walking patrolman is a greater deterrent to crime than the man in a roving jeep or sedan."

He gives these results:

"Our incidents, Army-wide have dropped. I note a decrease in Europe of almost seven per cent in military offenders for the first six months of 1954, as compared with the previous six months. This drop is reflected in our prisoner population in Europe. We had approximately 1400 in January of this year and in June the population dropped to 975."

Undersecretary of Labor Larson turned to poetry recently to illustrate how issues should be looked at in simple terms.

He read the following rhyme to a meeting of Interstate Conference of Employment Security Agencies at the Young Republican Federation New Orleans:

"There was a man who had a clock.

His name was Matthew Mears.

And every day he wound that clock.

For eight and twenty years.

And then one day he found that clock.

An eight-day clock to be.

And a madder man than Matthew Mears.

You would not wish to see."

In Hollywood

By BOB THOMAS

LAS VEGAS, Nev. # — Come to Las Vegas and see Hollywood.

Sounds silly, but that's the way it is up here in the land of long-legged lovelies and one-armed bandits. I stepped off the plane at McCarran Field and guess what I saw. A movie company!

Yep, they were shooting a film right at the airport. A TV outfit was making part of a series starring Ann Sheridan. She explained that she plays the role of press agent for one of the Vegas hotels.

Drying down the gaudy strip of resort hotels, you can see the Hollywood influence. The architecture is by DeMille out of Zanuck.

And for window dressing, the casinos offer familiar film names in the floor shows.

Keele Brasselle was headlining the bill at the Flamingo. Vivian Blaine, who is soon to repeat her stage role in the movie "Guys and Dolls," was lighting up the last frontier. Ann Blyth was winding up an amazingly successful stand at the Sahara. Those Hollywood expatriates, Peter Lind Hayes and Mary Healy, starred at The Sands.

One of the first persons I encountered in the Sahara lobby was Victor Mature, who is making Las Vegas his headquarters since the split with his wife. If he was nursing a torch, he didn't show it. He said he has been haunting Vegas for over 10 years, long before it started booming.

Marlene Dietrich added glamor to the place with her cool beauty. After her opening, she poured champagne for admirers, who included Van Johnson. He flew up to wash her well.

When Betty Hutton finished up her first show to a standing ovation, a reporter remarked, "We'll be telling our grandchildren about this show." It was indeed a memorable evening. One wonders how Hutton would adjust to devoting all that energy to being a housewife and den mother for the Brownies.

WEEKLY BIBLE COMMENT

A Chapter About Suffering

BY WILLIAM E. GILROY, D.D., pair of shoes (Amos 2:1)

The Book of Job in its dramatic, setting forth of the problem of suffering and tragedy in human life discovered the glory and beauty of does not solve that problem, though the heritage that they had lost it does rise to a high point of faith. Out of that exile came great men in God, and the vindication of Job pieces and psalms that mark in his refusal to accept the plausible theory that suffering is the re-spiritual treasures that the Jewish sult of sin, and that there must people have given to the world, have been something very much. Out of this period also came the wrong with Job to bring upon him conception of the meaning of his dire afflictions.

That sin does bring suffering is as I say, goes beyond the faith and demonstrated in human experience trust of Job.

As far back as human experience. The great expression of this is it goes "Be sure your sin will find the 53rd chapter of Isaiah. Will you out, was an early warning of its portrayal of the suffering servant, Israel's moral leadership, to the want the "Man of Sorrows and the people (Numbers 32:23) and the acquainted with grief" (Isaiah 53:3).

The prophecies of Amos and Hosea reveal how at a time of Israel's greatest prosperity typified in the luxurious vine, the moral condition was at its lowest ebb, religion itself relation to Jesus, and to all who suffer in his feasts and sacrifices had better vicariously for the sins of others, in the 53rd of Isaiah seems to me to come a mockery (Amos 5:21-27), in the greatest word concerning the exploited the weak, the righteous were tery of suffering that has ever been sold for silver, and the poor for a written.

What, then? Has the Bible light as to throw upon the matter? By all means a great deal.

Simpson Protests Jet Plane Blasts Over Carrollton

CARROLLTON — Congressman Sid Simpson, after hearing the complaints of aroused citizens concerning the blasts which have been let loose by jet planes over the city and the surrounding territory, Wednesday sent a letter of complaint to the commanding officer of the Navy Air Force Base at Lambert Field, St. Louis.

The jets are thought to be break-

ing the sound barrier in and around Carrollton, causing ear splitting, earth rocking explosions which are damaging property and frightening both humans and animals in the vicinity.

A more than 100-year-old home known as the Ward place, owned by Mrs. L. A. Dickson and occupied by Mr. and Mrs. Irwin Johnson, apparently received the full force of the first of four blasts which have rocked Carrollton. The brick house was cracked from top to bottom.

The second explosion broke windows in the house and it is feared that if the blasts continue there will be destruction of this house and perhaps others will be irreparably damaged.

Citizens have complained to city authorities concerning the continued explosions as well as to Congressman Simpson.

Officers Advance

Mrs. Alfred Johnson, associate matron of Temple Chapter of the Order of the Eastern Star, and Miss Bertha Fieker of Carlinville, grand lecturer, shared honors at the Advance Officers Night which was observed Tuesday evening at a special meeting of the local chapter of the Star held in the Masonic temple.

Other officers at the local chapter who advanced for the evening were

both organizations, together with their families, will be present to enjoy this social evening. Any out of town Rebekah or Odd Fellows are also welcome.

Organizations
A committee appointed by the organization of Methodist Men of the Waverly Methodist church, with Bill Johnson, chairman, will have charge of the Layman's Day worship service Sunday, October 17, the hour for the service being 10:30 a. m.

Music will be furnished by a father-son choir; the pastor will turn "Layman-for-a-day" and be a part of that choir.

Messages will be brought by the delegates from the church to the National Family Life conference held at Cleveland, Ohio, namely Mr. and Mrs. Robert Coons and Mr. and Mrs. Frank Burnett.

At noon, all the church families are invited to remain for a potluck dinner, the beef and gravy to be furnished by the men.

The Amoma class of the Baptist Sunday School was entertained Tuesday evening at the home of Mrs. Owen Lowe, eleven members and one guest, Mrs. Raabe, being present.

The devotions were led by Mrs. Lowe. Roll call was answered by naming an ornamental shrub.

Following the business meeting several games were enjoyed, the prizes going to Mrs. Jennie Foster and Mrs. William Robertson.

The hostess served refreshments of apple cake, mints and coffee.

The Willing Workers Class held their class social in the Methodist church parlors, Thursday afternoon at 2 p. m.

The president, Mrs. Will Edmondson, opened the meeting with a

prayer, after which 15 members responded to roll call by giving an autumn poem.

During the business meeting the following officers were elected for the coming year: President—Mrs. Will Edmondson, vice president—Mrs. Ed Narr, second vice president—Mrs. R. Y. Gibson, secretary—Mrs. Clara Stubblefield, assistant secretary—Mrs. Otis Sims, treasurer—Mrs. Herschel Jolly, teachers—Mrs. N. A. Baldwin, Mrs. Bert Mitchell and Mrs. H. E. Funk.

"In the Garden" was sung by all followed by devotions from Psalm 19 by Mrs. Baldwin followed by prayer.

Miss Pease gave a reading, Mrs. Mitchell read "Nothing Discourages Him" and Mrs. Baldwin read a group of Symbols after which all sang "The Old Rugged Cross."

The refreshment committee of Miss Pease, Mrs. Baldwin, Mrs. Ida Davis and Mrs. Ella Barrick served cup cakes, tea and mints.

The Takington 4-H held their regular meeting last Wednesday, October 6, at the Farm Bureau building with 21 members and 29 guests present.

The refreshment committee for the evening was Lyle and John Hunsley and Ronald Brown. The refreshment committee appointed for the next meeting are Allen Keltner and Lawrence and Arnold Duerer. Refreshments of sandwiches and iced tea were served. Games were then played, 21 members have joined to date.

TO THE VOTERS OF MORGAN COUNTY:

I am the Republican candidate for County Commissioner to fill the unexpired term of the late Arthur Acom. I have resided in Morgan County my entire life, the son of the late Fred Rigg. I received my education in the City and County Schools and also studied Engineering and Agriculture at Southern Illinois State Teachers College.

I am a land owner and a farmer, residing Northwest of Jacksonville. I am married to the former

Phyllis Orr and we are the parents of two children. I was a Pilot in the Air Force in World War II. I have had five years experience with the Federal Department of Agriculture. With my experience with that Department and my training in engineering I feel that I am qualified to serve the people of Morgan County as a Commissioner.

On Tuesday, November 2, when you go to the Polls you will be given a separate ballot for the election of County Commissioner.

I will appreciate your vote on November 2, and if elected County Commissioner I pledge to you my honest and sincere discharge of the duties and responsibilities of that office.

HOBART F. RIGG

A Tribute To Bakers!

When you pass a store or a large building, from which a gorgeous, appetite-awakening, yeasty fragrance wafts your way, white-clad bakers are at work. These men, in their tall hats and spotless uniforms, turn out the thousands of golden loaves affectionately known as "the staff of life". They also create myriads of other baked goodies: pies and cakes and rolls and special breads to delight a hundred tastes. . . . all masterpieces of the professional bakers' art. Consider the vital part these men play in our daily existence. . . . the delicious and wholesome nourishment they provide for our tables. . . . the enjoyment they bring each of us. Truly the baker is the happiness maker! We salute his kneaded works of art. He is our community's most popular "doughboy" . . . the very flour of our lives!

U.N. Committee Supports Trick Or Treat Stunt

"United Nations Week, Oct. 17-24 will be observed in Jacksonville as elsewhere," announced Mayor Ernest Hoagland, speaking for the Jacksonville U.N. Committee. The purpose of UN Week is to acquaint the public with the many activities of the UN and the projects in which it is engaged.

This year, the local UN Committee, with Rev. Leslie G. Heuston as acting chairman, joins the Jacksonville Ministerial Association in supporting the "Tricks or Treats" project of the United Church Women and Our Saviour's Church. All funds collected on Oct. 31, when the youth of all the churches supporting the Council and Our Saviour's Church join in a coordinated and united single "Trick or Treat" Halloween celebration, will be given to UNICEF.

Established in 1946 by the General Assembly of UN, UNICEF's first task was to bring food, clothing, and medicines to the children of war-devastated countries, especially to Europe. In recent years aid has been directed toward under-developed countries outside Europe, in Africa, Asia, South America, and the Mediterranean area.

"Your contribution to UNICEF can do so much for so little," says Mrs. Friedrick Englebach, president of the local Council of Church Women. Countries receiving aid match the value of UNICEF supplies in local goods and services, spending \$3.00 for every \$2.00 put up by the fund. And UNICEF aid is not permanent. It gets needed action underway, then moves on to another

area. Many countries are now operating UNICEF-initiated projects on their own.

UNICEF has shipped 21 billions cupsful of powdered milk for feeding children; it has provided basic equipment for nearly 3500 mother-child clinics; it has protected 13 million children in 33 countries against malaria; it has vaccinated more than 28 million children against tuberculosis in 29 countries; it has treated 24 million from yaws in 11 countries; and it has distributed emergency supplies for disaster victims in Korea, Japan, Greece, India, Pakistan, and the Arab-Israel conflict area. This is only a few of UNICEF's accomplishments.

'Motion Carried' At Roodhouse Rotary Meeting

WILL YOUR CAR GO SOUTH FOR THE WINTER?

If you are going to drive around in a tropical paradise from now until next June there is no reason why you should pay any attention to the following suggestions: Your car needs special preparation for winter just as much as you need a furnace fire, an overcoat, and all the other special equipment for freezing temperatures, ice, snow, slush and storm.

It will not only save you much money but assure safety and comfort on the road if you will now—without further delay—have your car checked over and prepared for the cold months ahead.

Most of our repair business all winter is on cars that were neglected in October. Owners could have saved about 90% of those bills by doing the obvious things before winter really arrived.

What are you going to do about it? Yes, indeed, we have everything necessary—this is a really up-to-date motor car maintenance establishment. Drive in any time.

Over \$800 Made By Band Parents On Chicken Supper

Completed reports were given of the recently highly successful fried chicken supper served in the open and sponsored by the Jacksonville Band Parents at a meeting of the association held in the library at the Jacksonville high school Thursday night. Over \$800 were realized from the supper. This fine profit would not have been possible without the wholehearted cooperation of many local business firms. Another crediting factor was the excellent advance sale of tickets by members of the Jacksonville high school senior band and the David Prince Junior High school band.

The meeting Thursday night made up what it lacked in attend-

ance by the importance of the reports made. There were many activities scheduled for Thursday night including homecoming activities for two local schools.

The business session was conducted by the president, Clarence Rataichak who presented Willard Cody, supper chairman, who announced the names of the two students selling the most tickets to the Band Parents Supper. Bob Hazelrigg and Rex Eugene Henley, who received a record album each donated by the Jacksonville Novelty Company.

The treasurer's report was given by Earl Jones and the recording secretary's report by Wilma Simmons. Announcement was made of the refreshments of homemade cookies and orange drink served to members of the Jacksonville high school band at the football game at the local games Mrs. Hugh Green, refreshment chairman, is in charge of serving hot chocolate and doughnuts to the visiting band and local band members.

A vote of thanks and personal appreciation was given to the following firms and individuals who were so generous in helping the Band Parents realize the fine profit in the supper: Floyd Scorrill at the Elm City cafe; Mrs. Tucker's Foods, Inc.; Nesco; Dunlap Hotel; Hudson Dairy; William Doyle, Del's representative; Jameson Electric; Boruff Mavtas; Lions club; Christian church; Masonic Temple and the South Jacksonville schools and buses and trucks; Kroger Super Market; WLDs and Jacksonville Journal Courier.

Husbands Treated At Roodhouse Della Philathea

ROODHOUSE — Husbands and others were guests of members of the Della Philathea club at the annual guest night held in the fellowship room of the church Thursday night. A potluck supper was served by Mrs. Orval Kelly, and her committee. Decorations carried out the Halloween theme. Invocation was given by the Rev. H. L. Janviri.

The group was welcomed by the president, Mrs. Ward Logan. The members introduced their husbands and guests.

During the business session, it was announced that the sum of \$41.33 was realized on the banquet served to the teacher-board group. The president appointed the following on the nominating committee: Mrs. Chris Walker, Mrs. William Day and Mrs. Paul Ballard.

Devotions were given by Mrs. Howard Mabery, who chose as her subject "Fruitful of Christ."

Mrs. William H. Wolfe, program chairman, introduced Mrs. Minor Peaslee, Jacksonville instructor in accordion playing, and two of her pupils, Beckie DeFries Woodson and Norma Standish, Jacksonville, who presented a number of accordion selections.

Sunshine girls were distributed to close the social hour.

To The Voters Of Morgan County

I am a candidate for Assessor and Treasurer on the Democratic ballot.

I was born in Jacksonville and have resided here all my life, the son of Henry and Frances A. Ricks. Received my education in the grade schools, high school and Brown's Business College, married and have two children, namely Wm. B. Ricks, 213 Caldwell St. and Mrs. Wallace (Alice) Smith of R. R. 6, City.

I reside at 225 Caldwell street having purchased this property for my home 31 years ago, this is my first appearance as a candidate for political office, I am not a politician.

If elected, I will conduct the duties of this office in a just and upright manner ever keeping in mind the best interests of the citizens of the county and I will devote my full time to the duties of this office as I am not affiliated with any business, professionally or otherwise.

I was in the garage business in this city for some 23 years. I have been a lifetime member of the Presbyterian church, active in civic and fraternal organizations since becoming of age.

I, as a citizen of Morgan county am soliciting your support whether Republican or Democrat in the election Nov. 2nd. Your support will be greatly appreciated, thank you.

Pike Teachers Hold Institute Thursday

PITTSFIELD—The Pike county Teachers Institute was held in the high school gymnasium here on Thursday, in an all day meeting. Lunch was served by the Parent-Teachers Association in the hot lunch rooms at the east building. The first address of the morning was given by Don Bolt, world traveler and lecturer of Brazil. His subject was "The Guatemala Story," a subject with which he is familiar through extensive travel there. The second address was given by William E. Skadden, former executive secretary of the Illinois Welfare Association and an outstanding humorous speaker. He also heard by the teachers. His subject was "Humor: A Fine Art."

The afternoon session was opened with a band concert by the Pittsfield high school band under the direction of David Brunberg, and Mr. Skadden gave a second address on "What Next Little World?" County superintendent Eidon Atwood was in charge of the day's activities.

Teachers of Pike county are in attendance Friday at the meeting of the Mississippi Valley Division of the Illinois Education Association in Quincy. Allen E. Metternich of this city is president of the group.

Garden Club

The meeting of the Pittsfield Garden Club which was to have been held at the home of Miss Florence Field on Friday of this week was postponed because of the illness of Miss Field and the president, Mrs. Karl Greife. The meeting will be held on Friday, October 22 at the home of Miss Field, Mrs. Maxine Ray will lead the discussion on the storage and care of bulbs, and there will be an exchange of bulbs among the members. This will be their last meeting until spring.

Personals

John Farrell, of Griggsville, an employee of the Lewis Motor Company here received emergency treatment at the Illinois hospital Thursday morning, soon after he had reported for work. A piece of glass with which he was working inflicted a bad cut on his left arm, which was dressed and treated at the hospital and he was released.

Mr. and Mrs. Lee Newman of South Monroe street, accompanied by his sister and brother-in-law, Mr. and Mrs. Birch of Griggsville, left Wednesday for an extended tour of the south which will include the Smoky Mountains and other points of interest.

Mrs. Jack Geisendorfer, who has been living in Quincy while her husband has been in service in Korea, will leave with their baby on Saturday to join him in the Hawaiian Islands. Jack is the son of Carl and Neva Geisendorfer.

Halloween Motif At Dinner For Pisgah Potluck

The October meeting of the Pisgah Potluck club was held October 13 at the home of Helen Bates with Anna Mae Cox as assistant hostess. A beautiful potluck style dinner was served at noon.

A Halloween tablecloth and festive napkins added gay color to the decorations which also included fall flowers. Gertrude Conlee, president, conducted a short business meeting with roll call being answered with what each was planning on doing for Halloween. The hostess then held several contests with prizes won by Lora Kilver, Bertha Jackson, Lucille Conlee, Freda Heaton, Eloise Patterson and Henry Birdsell with Grace Davis and Geneva Becker winning two prizes each.

Guests at the meeting were Lillian Cox, Edna Jackson, Larry and Linda Birdsell.

The November meeting will be held at the home of Grace Davis with Esta Lee Anderson as the assistant hostess.

Girl Scout Notes

Marilyn Mitchell is the new leader of Troop No. 34 and Kathy Muldoon is assistant leader. Both young women are students at MacMurray College.

The Jacksonville Junior Woman's Club will present their annual Fall Style Show Tuesday, Oct. 19 at 8 at the High School. The proceeds will be used for improvement of the Girl Scout Cabin on Lake Jacksonville. Let's help the hand that's helping us and support this event.

A printed list of changes that are being made in the fifth impression of the 1953 Handbook is now available. This list inserted in the current Handbook will bring it up to date. Everyone who owns a copy of the 1953 edition is entitled to an insert free of charge. Leaders may obtain the list for themselves and their troops from the Council office.

All Girl Scout Troops interested in donating articles for the Passaic Aid Bazaar, please have the articles at the Girl Scout Office by Nov. 1. If your troop has not been contacted and you would like to help, call the office for details.

Troop No. 46 under the leadership of Mrs. Keith Hooper has spent many busy hours this week helping the Chamber of Commerce office get out the mail for the Community Chest Drive. Their help is greatly appreciated.

Eleven adults attended the Group Leadership Training School in Winchester on the 11th. This was a very good representation and we hope to have that many or more for the second four hour period in the course being given on Monday the 18th.

The second four hour period for Group Leadership Training for Cass County will be given in Beardstown on Wednesday, Oct. 20.

How do you wear the Girl Scout uniform? We hope you wear it proudly. Although no one is required to wear a uniform, some degree of uniformity should be maintained when you wear it. Uniforms should not be decorated with jewelry, novelty pins, corsages, or ornaments; only such insignia as specified are permitted. Shoes with low or medium heels not sandals or playshoes should be worn with the uniform.

The only way to check Communist aggression is to return blow for blow.

'What Do Teachers Expect Of Parents?' Asks P.T.A.

PITTSFIELD—Mrs. Hicks Petty, president of the P.T.A. has announced an interesting meeting to be held at the high school gymnasium on Tuesday night with a panel discussion of "What do teachers expect of parents?" and "What do parents expect of teachers?" The interest of the fathers as well as the mothers is being urged this year, and the open discussion with questions and answers is expected to attract a large attendance.

Serving on the panel will be Miss June Sutton and Miss Gladys Harpole, teachers, John Blake, administrator of the Illinois hospital, Mrs. Charles Barber, an active mother of the association, Allen Metternich, superintendent of the city schools, Harold Voehll, administrator of Unit District 10 and Ronald Sidwell, president of the school board.

Serving as hostesses will be the mothers of grades three and seven of the elementary schools.

Women's Club
The local Business and Professional Women's Club will conclude a program observing National Business and Professional Women's Week on Sunday. The club was organized in 1926 with the help of Miss Fern Hahn of Jacksonville, and received their charter with Miss Florence Beard, Pike county abstractor at that time, as president. The charter membership was 56, several of whom are still active in the club, namely Blanche McGary, Madge Carlton, Grace Shaw, Helen Brew, Eulalie Carroll Wendler and Essie Yakely. Miss Marguerite Schedel, county welfare superintendent, is now president and the membership stands at 57 with a number soon to be taken into membership. The November program is being planned by Blanche McGary, of the legislative committee, who plans a program dealing with the laws and legislation of interest to women. Miss McGary has been court reporter for the Circuit Court of Pike county for more than 30 years, having served under the late Judge Harry Hubee and presently with Judge A. Clay Williams. The club has recently purchased and placed two waste containers on the public square. The club plans to honor all charter members at their

February meeting in 1955.
University Of Life
The first session of The University of Life, a religious course which is held for eight consecutive Sunday evenings at the Methodist church, will open Sunday night at 6 p.m. The meetings include classes for all ages and in the past have interested many persons both from the sponsoring church and other denominations.

Each session opens with a snack supper, and fellowship singing, led by Miss Edna Mae Brown, chorister of the church. Special musical numbers are also on each program with the group study beginning at 7:10 p.m.

The general theme for the eight sessions will be Christian Living Today.

Guest speakers of ability are secured for each meeting. On Sunday night R. B. Hulsen of East Moline will be the speaker, speaking on the subject of "Achieving Christian Maturity." He is associated with the Moorman Manufacturing company of Quincy as vice-president in charge of marketing and distribution and a trustee of Culver-Stockton College.

Special music Sunday night will be a duet by Karen Wilkey and Barbara Oda. Chairman of the supper committee are Mrs. William Weaver and Mrs. Ernest Jensen.

The Gleaners Sunday school class of the Methodist church met at Orr hall on Thursday night with Mrs. Bessie Ayers, teacher of the class, in charge of the program, which was unique and most interesting. Mrs. A. W. Schimmel gave two solo numbers. A contest written and prepared by Mrs. Ayers, in the form of an essay with a play on the names of members of the class and some local persons was held.

Highlight of the evening however was a "Magician's Act," presented by Ronnie and Dennis Trimmer, young sons of Mr. and Mrs. Elmo Trimmer. The boys have been interested in magic for some time, and with help of their parents have learned to put on some amazing feats of magic. It was no trouble for them to pull knotted scarfs out of a pop corn box which had been placed in it in open, unknotted condition, before the eyes of the guests, or to pull yards and yards of carnival paper out of an empty glass, and many other similar tricks of magic. Their performance was said to be exceptionally good for amateurs.

New Addition
A petition from landowners, just west of the city limits, for annexation was read and discussed at the city council meeting this week. The proposed addition would go west on route 36-54 to include the Kamar Company property on the north side of the highway, and for some distance on the south side of the highway. The addition would be classified as a commercial zone. Many business buildings have already been added to the new "West Pittsfield" district adjoining the proposed addition. Council members were agreeable to the proposition, and instructed the city clerk to inform the interested parties to proceed with platting and other details necessary for action by the council.

Personals
Dr. and Mrs. E. B. Berry and Mr. and Mrs. Charles Shaw are spending the weekend in Murphyboro. The Berrys will visit their friends, Mr. and Mrs. Fred Willis, who are former residents there for several years.

Mrs. George Carroll, aged rural resident of this city, who lives a few miles north of town on the New Salem road, is reported to be making slow progress in her recovery from a leg injury she received some time ago in a fall in her home. She was a patient in Illinois hospital for some time, but later returned to her home. Her sons, Martin and Fred Carroll, live in the home with their mother and have assisted with her care.

XXX
ON the top of a flat rock in the middle of the creek was his own revolver. Droplets of spray glittered in sunlight. Its muzzle pointed directly toward the hole through which the creek found its path of exit to the lake.

Jim waded in. The water was cold, but with the heated overflow from the swimming pool on the other side of the rock barrier, it did not have the deadly cramping chill as it swirled against his legs. He pushed past the flat rock, stumbling over water-rounder stones, and reached the cavern entrance.

The path he followed ended abruptly in cold, damp stone. He left his rock path, waded into this new pool, found the underside opening which let water gush through. A large hole was opening so the force of water was not too great for passage.

He filled his lungs and dove beneath the surface. He inched along the passage, clawing at any projection from the water-smoothed walls which would give scant handholds.

His ears were roaring, his lungs bursting with the spent oxygen burned in the effort of his progress. He kept his eyes open even against the pressure of moving water which sent an ache clear to the back of his head.

Was that light, shining through clear water?
He began raising his head carefully toward what he hoped would be the surface. The ache of his lungs increased the speed of that rise, the body's demand for air was greater than the mental command for caution.

There was no warning. There was nothing but a flash of shock. There was a vague dream world of strange comfort and quick motion. There was another and more violent shock.

He pulled himself into shallow water, splashed along the creek, fell full length on the bank near his jeep. He coughed, retched, managed at last to replace some water with life-giving air. He pulled himself to his knees, began crawling toward the jeep. His strength came back quickly, let him get erect, into the car. He started the motor, left the jeep in low gear and drove up the winding road. His panting breath seemed to keep time with the snarl of the motor.

JIM did not overestimate his ability. He knew he did not have the strength to try again against the current. But from the other side, with the current. The idea of a possible passage-way through the huge rock base of Lion's Head had occurred to him, of course. It had been something to be checked, just as the possibility of a ledge along the base of the cliff near the lake must be checked. Obviously such a possibility had occurred to Nancy.

He drove faster now, and he still hoped.

Perhaps Nancy, with her smaller but strong young body, would have been able to negotiate the passage. Perhaps she had been able to control herself, had not stood up so quickly as to knock herself silly against rock ceiling as he believed he had done. Perhaps he would find her, dripping and thrilled with the idea of her contribution, at the end of the creek near the heated swimming pool.

He would not let himself think of Nancy caught in some underwater crevice, fighting out the last of her life in a useless struggle against unforgiving rock and surging water.

He drove fast, but the minutes were ages long until he reached the swimming pool, deserted now, and left his jeep. This time at least he did have the forethought to take a flashlight along from the glove compartment.

At this end of the cavern, there was a well-worn path at the side for the first 50 feet. His light shone down into the translucent water, showed innumerable man-darting around in the glow. The path showed signs of many feet, but not of recent passing of wet feet. There was no evidence of water drops falling from soaking clothes. Not until he himself passed through the cave to the ending wall of rock.

HIS light showed an opening through which the water surged onward. A small opening, opening, doubtless insisted by the water itself. It showed him three depressions on the path itself, and three lines through the dust where heavy objects had been rolled to the water. He wondered vaguely why rocks should have been rolled into the water.

A chill shook his whole body, and his mind was equally cold with loss of hope.

Time was a traitor. Elapsed time was a killer. Too much time had passed. Too much time!

Jim wedged the flashlight carefully on the bank, left it glowing. He edged cautiously into the water, swam toward the underwater opening. The light glinted from myriad bits of mica in the rock walls, brought a transparency to the water itself.

Jim detected movement first, then saw the pallor, the white flash of skin in the water's depth. It was a hand. It was an arm. He did not remember crossing the remaining distance, but he felt a stiffening of muscles as his hand clamped around a slender wrist, and then a dreadful relaxation.

Two Accidents Near Pittsfield This Week

PITTSFIELD—A truck and house trailer were overturned on route 36 about six miles west of here about 9 a.m. Tuesday morning. Highway police who investigated the accident thought a cross wind had caused it, the wind causing the trailer to whip around taking the truck out of control of the driver. Lee Hunt of El Paso, Texas. Both trailer and truck went into a ditch causing extensive damage to the truck.

Three Car Collision
Morris Turner of this city was involved in a three car collision on route 107 north of Griggsville Monday night. His injuries were minor.

and he received treatment at a doctor's office, following the accident. His car was reported to have been extensively damaged.

Turner was traveling south when he collided with a Trio Manufacturing Company semi-trailer truck traveling north. His car came to rest with the right headlight still burning and the car on the center line of the highway. The Trio truck was driven by Elmo Craven, of Griggsville. Another car driven by Harry Smith also of Griggsville, came upon the scene from the south, and with poor visibility he could not see that Turner's car was damaged and in the center of the highway, and collided with it. Turner was the only one of the three who was reported injured.

Mrs. Bessie Hume Dies
Mrs. Bessie Hume, widow of the late Walter Hume, residents of the north part of this county, died at Blessing hospital in Quincy on Tuesday night following a long illness. The body was brought to the Presbyterian church at Perry at 11 a.m. Friday and services were held in the afternoon.

Raid, Redshaw Nuptials
Jean Baird, daughter of Mr. and Mrs. Herman Baird of this city, and William Redshaw, son of Mr. and Mrs. Joseph Redshaw of Barry, were united in marriage Saturday evening at 8 p.m. in the Baptist church at Barry, in a double ring ceremony performed by the Rev. Robert Byler. Relatives and close friends were in attendance. The couple was attended by the groom's sister and brother in law, Mr. and Mrs. Dan Foster.

The bride is a graduate of the Barry high school with the class of 1950, and has been employed at the Farmers State Bank here, a position which she will continue to hold. The groom graduated from the Barry high school with the class of 1939 and is engaged in farming with his father near Barry.

Virginia School Queen's Identity Remains Secret

VIRGINIA—The members of the queen's court for Homecoming were elected at a meeting of the student body of the Virginia high school this week. The junior and senior girls who received the highest votes were Rosella Anderson, Jeanie Cox, Shirley Crawford, Janice Downs, Jeanne Fehlbauer, Alice Haywood, Marcia McGehee, Donna Petrich, Patsy Ring and Sylvia Shortridge.

The senior girl who received the highest number of votes will be crowned queen on the night of the Homecoming festivities on Nov. 24. Until that date, the name of the queen will remain a secret.

Cass county Circuit Clerk John Collins was speaker at a meeting of the Lions club in Franklin Monday night. His subject was "Playing the Cornpicker Can be Costly." Circuit Clerk Collins spoke from experience since he was involved in a cornpicker accident several years ago, when he lost his right arm above the elbow, right leg at the hip and left leg above the knee.

The Woman's Society of Christian Service of the Methodist church is planning their election day supper and all-day bazaar, to be held Nov. 2, in the church parlors and dining room.

Circuit Clerk John Collins has received an appointment as a member of the Necrology committee, by Robert Strough, of Watseka, state president of Illinois State Circuit Clerks and Records' Association. Sunday evening when passing through Virginia a party consisting of movie actress Agnes Moorehead, Kathy Ellis and Pat Waltz stopped for dinner at the East Side Cafe, owned by Mr. and Mrs. Wendall Briggs. Young people, patrons of the cafe, recognized Miss Moorehead, and are proudly displaying her autographs, which she graciously gave them.

Dobson Family Attends Reunion

The first reunion of the Dobson family was held Sunday, Oct. 10, at the home of Mr. and Mrs. Chester Dobson, northeast of the city. A basket dinner was enjoyed at noon served on the lawn of the Dobson home. In the afternoon games of horseshoe, baseball and croquet were enjoyed.

The family traveling the longest distance to attend the reunion was the Elmer Lee Hamm, Jr., family from Fort Knox, Kentucky.

Those present for the dinner were Thomas Dobson, Savanna, Ill.; Mr. and Mrs. Wayne Dobson and sons, Pekin; Mr. and Mrs. Walter Dobson and sons, Chapin; Mr. and Mrs. Earl Tomhave and sons, Mr. and Mrs. Billy York and grandson and the Chester Dobson family, all of Jacksonville; and Mr. and Mrs. Elmer Lee Hamm, Jr. and sons, Fort Knox, Ky.

Members of the family unable to be present for the dinner but calling in the afternoon were Mr. and Mrs. Earl Hall and sons, Murrayville; Mr. and Mrs. John E. Hall and daughters of Roodhouse; Mr. and Mrs. Lennie Chaudoin and family, Jacksonville; and Mr. and Mrs. Ross Hawkins and family of Orion.

GRACE CHAPEL W.S.C.S. MEET

The Grace Chapel W.S.C.S. held its October meeting at the Spring Grove farm, home of Misses Mae and Minnie McFadden. Mrs. Chester Brockhouse, president, opened the meeting by having the group sing "Jesus Saviour Pilot Me" to the music of the reed organ. Following the hymn she read Psalm 33 and Ruth Dunning led the group in prayer.

The members and guests answered roll call by naming the minister who baptized them.

Mrs. Thomas Mayes had charge of the worship service. Following the call to worship she read scripture: John 14:1-10. The group sang "Onward Christian Soldiers." An exercise was read with Mrs. Mayes taking the part of Nicodemus and Mrs. Brockhouse read the part of John.

Mrs. Ruth Dunning had charge of the program. It was an interesting report on the Fourth Assembly of the W.S.C.S. at Milwaukee. The purpose of this assembly was to achieve unity and share plans and methods of work. She told of the consecration service for new missionaries and workers. Grace Ater gave a report on the district meeting held at Camp Point. The meeting closed with the Lord's Prayer.

The hostesses served refreshments.

Those present were Clara Mason, Ruth Dunning, Frances Hynes and Alvin, Bessie Bourn, Esther Brockhouse, Kathryn Mayes, Ella Wiswell, Pearl Smith, Clara Gunder, Margaret Jones, Mrs. Calander, Laura Ater, Ann Mallicoat, Madie Kaiser, Cora McFadden, Dot Mallicoat, Mary Kaiser, Grace Ater and daughters and Hannah Brockhouse.

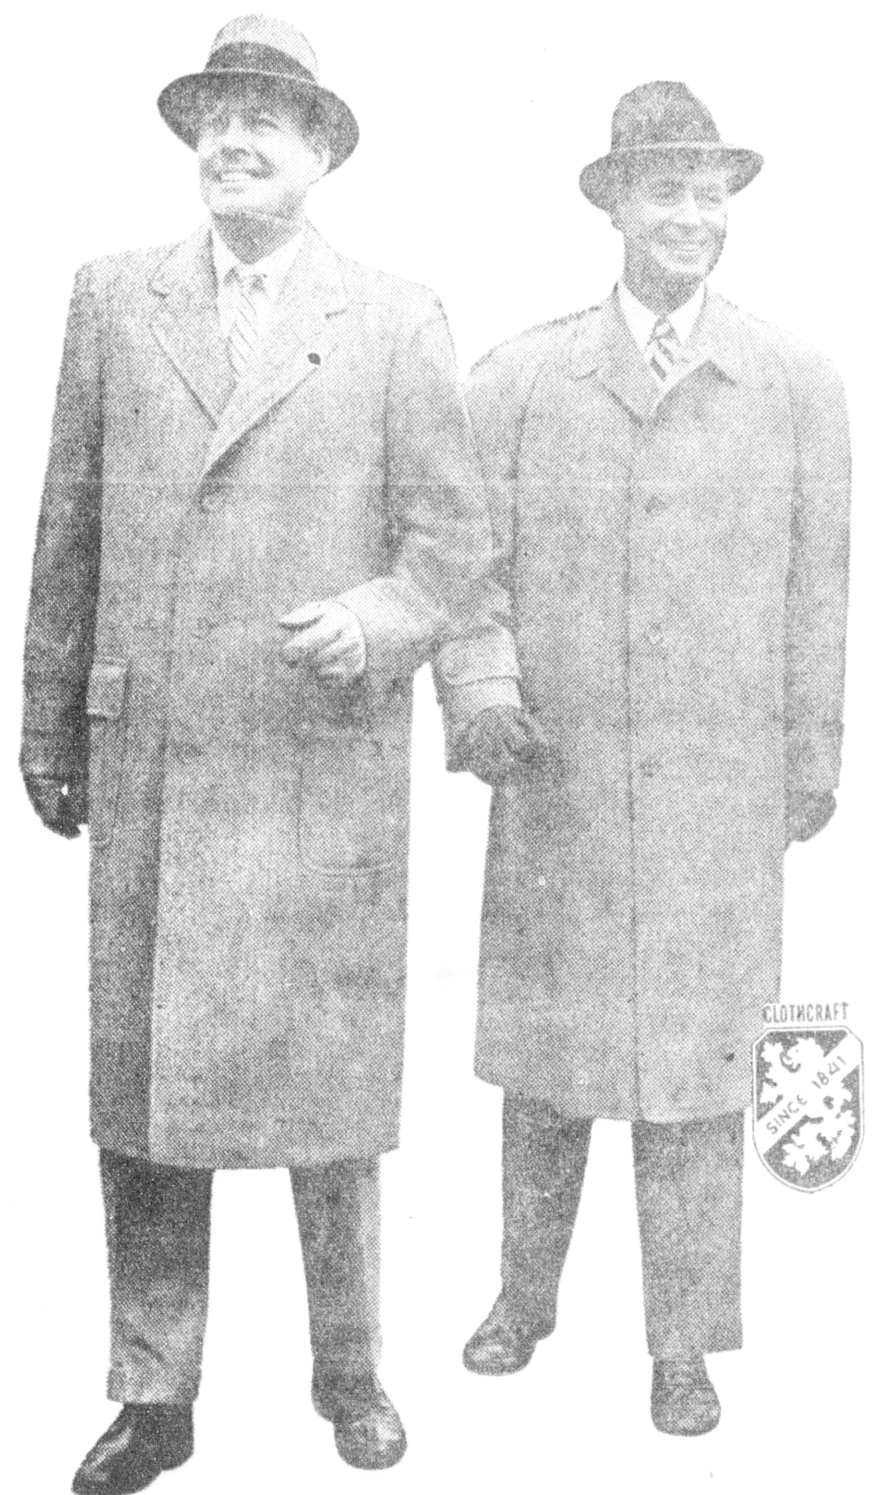

The next meeting will be at 1:30 on Nov. 3, at the home of Mrs. Chester Brockhouse. The pre-Christmas auction will be held at this meeting.
